SECTION 5. The Bonds hereby authorized, together with interest thereon, shall be secured by a first mortgage upon the System and shall be payable solely from the net income and revenue to be derived from the operation of the System, a sufficient portion of which to pay such principal and interest as and when the same shall become due is hereby pledged and shall continue to be set aside for that purpose and identified as the "Sanitary Sewer Mortgage Revenue Bond and Interest Sinking Fund" as hereinafter specified.

SECTION 6. The treasurer of the Village shall be custodian of all funds belonging to and/or associated with the System and such funds shall be deposited in a bank satisfactory to the FmHA, which bank shall be a member of the Federal Deposit Insurance Corporation. All monies in the supervised bank account shall be secured by the depository bank in advance in accordance with United States Treasury Department Circular No. 176. Said treasurer of the Village shall execute and keep in force a fidelity bond in an amount not less than \$10,000, provided that if the United States is the holder of any of the Bonds authorized hereby, the fidelity bond shall be with a surety company, and in an amount, approved by the appropriate official of the United States of America, and the FmHA and the Village shall be named as co-obligee in such bond, and the amount thereof shall not be reduced without the prior written consent of the appropriate official of the United States of America. The treasurer of the Village is hereby directed to create the following funds into which the bond proceeds and the revenues and income from the sanitary sewer System shall be deposited, which funds shall be established and maintained except as otherwise provided so long as any Bond hereby authorized remains unpaid.

A. BOND RETIREMENT FUND. The proceeds of the Bonds hereby authorized shall be deposited in the Sanitary Sewer Mortgage Revenue Bond Retirement Fund previously established for the Prior Bonds. Such proceeds shall be withdrawn in accordance with Ohio law only for the purpose of paying principal and interest due on the Prior Bonds. When the retirement of the Prior Bonds has been completed, any balance remaining in such Bond Retirement Fund shall be used to pay costs of constructing the System, and then shall be deposited in the Sanitary Sewer Mortgage Revenue Bond and Interest Sinking Fund and such Bond Retirement Fund shall be closed. Any such balance in such Sinking Fund shall be used to the extent possible to redeem bonds or installments thereon in multiples of \$100 prior to maturity and in inverse order of maturity.

B. SANITARY SEWER SYSTEM REVENUE FUND. The gross income and revenues from the System shall be set aside into a separate fund to be designated the Sanitary Sewer System Revenue Fund (hereinafter called the "Revenue Fund"), which fund is hereby established and monies so deposited therein shall be expended and used only in the manner and order as follows:

(1) Operation and Maintenance Fund. There shall be transferred each month from the Revenue Fund a sufficient portion of the income and revenues to the Operation and Maintenance Fund, which such fund is hereby established to pay the reasonable and necessary current expenses of operation and maintaining the System for the ensuing month.

(2) Sanitary Sewer Mortgage Revenue Bond and Interest Sinking Fund. After the transfer required in (1) above, there shall be transferred each month from the Revenue Fund before any other expenditures or transfers therefrom, and deposited in the Sanitary Sewer Mortgage Revenue Bond and Interest Sinking Fund (the "Sinking Fund"), which such fund is hereby established for payment of principal and interest on the Bonds a sum equal to at least one-twelfth (1/12) (or such larger amount as is necessary) of the sum of the amount of interest due on the next ensuing interest payment date with respect to all Bonds outstanding plus the amount necessary to provide for payment of the next ensuing principal maturity of all Bonds outstanding. If for any reason there is a failure to make such monthly deposit, then an amount equal to the deficiency shall be set aside and deposited in the Sinking Fund out of the net revenues of the System in the ensuing month or months, which amount shall be in addition to the regular monthly deposit required during such succeeding month or months.

Whenever there shall accumulate in the Sinking Fund amounts in excess of the requirements during the next twelve (12) months for paying the principal of Bonds falling due and interest on all outstanding Bonds and in excess of the requirements of the Operation and Maintenance Fund and the Reserve Fund hereinafter established, such excess may be used by the Village for redemption of Bonds in the manner set out in Section 3 of this ordinance.

If there is a paying agent for any of the Bonds, the treasurer of the Village shall place on deposit not later than fifteen (15) days before each interest payment date of Bonds with such agent an amount sufficient to pay the principal of and interest on the Bonds.

(3) Reserve Fund. Out of the balance of income and revenue of the System after the transfers required in (1) and (2) above, have been made, there shall be set aside and deposited in the Reserve Fund, which such fund is hereby established, the sum of \$452.50 each month until there is accumulated in such fund the sum of \$54,300 (the "Minimum Reserve"), after which no further deposits need be made into such fund except to replace withdrawals. With the approval of the FmHA, the Minimum Reserve shall be used and disbursed only for the purpose of paying the cost of repairing or replacing any damage to the System which may be caused by an unforeseen catastrophe, and when necessary for the purpose of making payments of principal and interest on the Bonds hereby authorized if the amount in the Sinking Fund is not sufficient to meet such payments. Whenever disbursements are made from such fund, monthly payments shall be resumed until there is again accumulated in such fund an amount equal to the Minimum Reserve, at which time payments may be again discontinued. The funds in the Reserve Fund may be invested in obligations of the United States of America or in time or savings deposits in accordance with applicable State laws. Any such investment and the interest earned thereon will be a part of the Reserve Fund.

Surplus funds shall be retained in the Revenue Fund and may be used for making extensions or improvements to the System, redeeming outstanding Bonds, redeeming outstanding Bonds prior to maturity, paying other obligations issued to finance improvements to the System, and any other use of the revenues of the System authorized by law.

SECTION 7. The Bonds shall be designated as set forth in this ordinance, shall be payable in lawful money of the United States, shall be issued in fully registered form as provided in this ordinance, shall be negotiable instruments, shall express upon their faces the purpose for which they are issued, and shall be issued pursuant to Section 12, Article XVIII, of the Constitution of the State of Ohio.

SECTION 8. The rates and charges for all services and facilities rendered by the System shall be reasonable and just, taking into consideration the costs and value of said System and the cost of maintaining, repairing and operating the same and the amounts necessary for the retirement of the Bonds, and there shall be charged such rates and charges as shall be adequate to meet the requirements of this section and the requirements of Section 6 hereof.

SECTION 9. The Village covenants and agrees so long as the Bonds hereby authorized remain unpaid as follows:

(a) It will comply with applicable state laws and the regulations and continually operate and maintain the System in good condition.

(b) No customer of the System, individual, corporation or municipality, shall receive free services or any service without being charged the rates prescribed in the rules and regulations of the System. The reasonable cost and value of any service rendered to the Village and its inhabitants by the System, including reasonable charges for public health benefits, shall be paid for monthly as such service accrues out of the current revenues of the Village, exclusive of the revenues derived from the System.

(c) It will maintain complete books and records relating to the operation of the System and its financial affairs and will cause such books and records to be audited biennially at the end of each fiscal year and an audit report prepared and will furnish to the FmHA so long as it is holder of any of the Bonds without request a copy of each audit report and will furnish any other holder of the Bonds a copy of such report upon written request. At all reasonable times the holders of any Bonds shall have the right to inspect the System and the records, accounts and data relating thereto.

(d) It will maintain such insurance coverage and otherwise comply with FmHA regulations as may be required by the FmHA so long as FmHA is the holder of any Bonds.

(e) It will not borrow any money from any source or enter into any contract or agreement or incur any other liabilities, in connection with making extensions or improvements other than normal maintenance to the System, without obtaining the prior written consent of the FmHA so long as it is holder of any Bond, nor shall it transfer or use any portion of the revenue derived in the operation of the System for any purpose not herein specifically authorized.

The Village may issue additional parity bonds for the purpose of making a reasonable repair, replacement or extension of the System if the FmHA consents in writing so long as it is holder of any Bonds.

Otherwise parity bonds may be issued upon written consent of the holders of at least one-half of the outstanding principal amount of Bonds of this issue.

The funds herein established shall be applied to all parity bonds issued pursuant to this section as if said bonds were part of the original Bond issue and all revenue from any such extension or replacement constructed by the proceeds of a parity bond issue shall be paid to the Revenue Fund mentioned in this ordinance and this provision shall be controlling over any provisions of this ordinance to the contrary.

(f) Except as otherwise specifically provided, so long as any such Bonds herein authorized are outstanding, no additional bonds or other obligations pledging any portion of the revenues of said System shall be incurred or issued by the Village unless the same shall be junior and subordinate in all respects to the Bonds herein authorized.

(g) So long as the FmHA is holder of any of the Bonds, if at any time it shall appear to the FmHA that the Village is able to refund, upon call for redemption or with consent of the FmHA, the then outstanding Bonds, held by it, in whole or in part, by obtaining a loan for such purposes from responsible cooperative or private credit sources, at reasonable rates and terms for loans for similar purposes and periods of time, the Village will, upon request of the FmHA, apply for and accept such loan in sufficient amount to repay the FmHA, and will take all such action as may be required in connection with such loan.

(h) It will not cause or permit any voluntary dissolution of its organization, merge or consolidate with any other municipality, dispose of or transfer its title to the system or any part thereof including lands and interest in lands, by sale, mortgage, lease or other encumbrance other than as provided in the Mortgage.

(i) Prior to the beginning of each fiscal year the Village will prepare an annual budget of said system for the ensuing fiscal year itemized on the basis of monthly requirements. A copy of such budget shall be mailed without request to the FmHA as long as the FmHA is holder of any of the Bonds and upon written request of any other bondholder.

(j) The provisions of this ordinance shall constitute a contract between the Village and the holders of any of the Bonds, and after the issuance of the Bonds this ordinance shall not be repealed or amended in any respect which will adversely affect the rights and interest of the holders, nor shall this council adopt any law, ordinance or resolution in any way adversely affecting the rights of the holders so long as the Bonds or interest thereon remains unpaid.

SECTION 10. If there shall be default in the sinking fund provisions of this ordinance or in the payment of principal of or interest of any of the Bonds, upon the filing of a suit by any holder of any of the Bonds any court having jurisdiction of the action may appoint a receiver to administer said System on behalf of the Village with power to charge and collect rates sufficient to provide for the payment of the Bonds and for the payment of operating expenses and to apply income and revenues in accordance with this ordinance, the Mortgage, as hereinafter defined, and franchise on default granted therein and the laws of Ohio.

The Village hereby agrees to transfer to any bona fide receiver or other subsequent operator of the System pursuant to any valid court order in a proceeding brought to enforce collection or payment of the obligations of the Village, a franchise not in excess of twenty (20) years as set forth in the hereinafter-defined Mortgage, all contracts and other rights of the Village conditionally for such time only as such receiver or operator shall operate by authority of the court.

Holders of twenty per centum (20%) of the outstanding Bonds in the event of default may require by mandatory injunction the raising of rates in a reasonable amount except as otherwise provided by law. The provisions of this ordinance are subject to the laws of the State of Ohio and to the present and future regulations of the FmHA not inconsistent with the express provisions hereof so long as it is holder of any of the Bonds.

SECTION 11. The Village hereby grants to the holders of the Bonds or their representatives a mortgage upon all property, real, personal and mixed and revenue constituting the System of the Village, and hereby grants a franchise to the holders of the Bonds or their representatives or purchaser on foreclosure therefrom which shall extend for a period of twenty (20) years from the date of sale of such utility and franchise on foreclosure, all as contained in the First Mortgage dated October 1, 1992 from the Village to the United States of America (the "Mortgage"). The mayor and Village clerk of the

Village are hereby authorized, empowered and directed to execute and attest the Mortgage by and on behalf of the Village in such form as approved by the FmHA.

SECTION 12. The Bonds shall be sold to the FmHA in accordance with its offer to purchase the same, which offer is hereby accepted.

SECTION 13. So long as the United States of America or any agency thereof is holder of any of the Bonds, the Village and this ordinance shall be subject to the FmHA Loan Resolution relating to the Bonds, a copy of which is available for inspection at the office of the Village clerk.

SECTION 14. This council, for and on behalf of the Village, hereby covenants that it will restrict the use of the proceeds of the Bonds hereby authorized in such manner and to such extent, if any, and take such other actions as are necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute obligations the interest on which is subject to federal income taxation or "arbitrage bonds" under Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations prescribed thereunder. The Village clerk, or any other officer having responsibility with respect to the appropriate certificate on behalf of the Village, on the date of delivery of the notes for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to the use of the proceeds thereof and the provisions of said Sections 103(b)(2) and 148 and regulations thereunder.

SECTION 15. The Bonds are hereby designated as "qualified tax-exempt obligations" to the extent permitted by Section 265(b)(3) of the Code. This council finds and determines that the reasonable anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the Village during the calendar year does not and the council hereby covenants that, during such year, the amount of tax-exempt obligations issued by the Village and designated as "qualified tax-exempt obligations" for such purpose will not exceed \$10,000,000. The Village clerk and other appropriate officers, and any of them, are authorized to take such actions and give such certifications on behalf of the Village with respect to the reasonably anticipated amount of tax-exempt obligations to be issued by the Village during this calendar year and with respect to such other matters as appropriate under Section 265(b)(3).

SECTION 16. It is found and determined that all formal actions of this council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this council, and that all deliberations of this council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with the law, including Section 121.22 of the Ohio Revised Code.

SECTION 17. All ordinances, resolutions and orders or parts thereof in conflict with the provisions of this ordinance are to the extent of such conflict hereby repealed, and each section of this ordinance is independent and the finding or holding of any section or subdivision hereof to be invalid or void shall not be deemed or held to affect the validity of any other section or subdivision of this ordinance.

SECTION 18. This ordinance is hereby declared to be an emergency measure necessary to protect the peace, health, safety and welfare of the inhabitants of the Village. Authorization of the Bonds is required to provide for timely permanent financing of the System improvements, and this ordinance shall be in full force and effect at the earliest time permitted by law after its passage.

AN ORDINANCE TO ADOPT THE 1993 REPLACEMENT PAGES FOR THE MODEL OHIO MUNICIPAL CODE PUBLISHED BY THE JUSTINIAN PUBLISHING COMPANY; TO REPEAL ORDINANCES IN CONFLICT THEREWITH AND TO DECLARE AN EMERGENCY.

WHEREAS, during the year January 1, 1992, through January 1, 1993, the General Assembly enacted numerous State laws that affect the Model Ohio Municipal Code, previously adopted by the Municipality;

WHEREAS, the Municipality is in need of having an up to date Code, one which is consistent with the latest State law, as required by Article XVIII, Section 3, of the Ohio Constitution, so that prosecutions can continue to be made under Municipal ordinance rather than State statute; and

WHEREAS, The Justinian Publishing Company has published a set of 1993 Replacement Pages for the Model Ohio Municipal Code, which Replacement Pages incorporate the latest State law through January 1, 1993, and, pursuant to authority previously given by the Municipality, has furnished the Municipality with sets of such Replacement Pages equal in number to the number of copies of the Model Code previously ordered by the Municipality;

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF AMANDA, OHIO:

SECTION 1. Pursuant to Ohio R.C. 731.23, the 1993 Replacement Pages for the Model Ohio Municipal Code, prepared and promulgated by The Justinian Publishing Company of Cleveland, Ohio, are hereby adopted by and for the Municipality.

SECTION 2. All ordinances, resolutions and parts of ordinances and resolutions which are in conflict with any of the provisions of the 1993 Replacement Pages for the Model Ohio Municipal Code, adopted in Section 1 hereof, are hereby repealed. Those ordinances, resolutions and parts of ordinances and resolutions which are not in conflict with any provision of the 1993 Replacement Pages for the Model Ohio Municipal Code are hereby expressly excepted from repeal by this ordinance and shall continue in full force and effect until otherwise amended or repealed by Council.

SECTION 3. The enactment of this ordinance, including the 1993 Replacement Pages for the Model Ohio Municipal Code adopted herein and the repeal provided for in Section 2 hereof, shall not be construed to affect a right or liability accrued or incurred under any legislative provision prior to the date of such enactment, or any action or proceeding for the enforcement of such right or liability. Such enactment shall not be construed to relieve any person from punishment for an act committed in the violation of any such legislative provision, nor to affect an indictment or prosecution therefor. For such purposes, any such legislative provision shall continue in full force notwithstanding its repeal for the purpose of adoption of the 1993 Replacement Pages for the Model Ohio Municipal Code provided for herein.

SECTION 4. Pursuant to Ohio R.C. 731.21, 731.22 and 731.23, the Clerk of Council shall cause to be published a notice of the enactment of this ordinance, containing the title of the ordinance and a summary of the new matter covered by it, which summary is attached hereto and marked Exhibit "A."

SECTION 5. This ordinance is hereby declared to be an emergency measure, the reason for the emergency being the necessity of having an up to date Code, one which is consistent with the latest State law, as required by the Ohio Constitution, and this ordinance, therefore, and the 1993 Replacement Pages for the Model Ohio Municipal Code hereby adopted shall become effective immediately upon its passage by at least two-thirds of the members of Council, otherwise from and after the earliest period allowed by law.

AN ORDINANCE TO ADOPT THE 1994 REPLACEMENT PAGES FOR THE MODEL OHIO MUNICIPAL CODE PUBLISHED BY THE JUSTINIAN PUBLISHING COMPANY; TO REPEAL ORDINANCES IN CONFLICT THEREWITH AND TO DECLARE AN EMERGENCY.

WHEREAS, during the year January 1, 1993, through January 1, 1994, the General Assembly enacted numerous State laws that affect the Model Ohio Municipal Code, previously adopted by the Municipality;

WHEREAS, the Municipality is in need of having an up to date Code, one which is consistent with the latest State law, as required by Article XVIII, Section 3, of the Ohio Constitution, so that prosecutions can continue to be made under Municipal ordinance rather than State statute; and

WHEREAS, The Justinian Publishing Company has published a set of 1994 Replacement Pages for the Model Ohio Municipal Code, which Replacement Pages incorporate the latest State law through January 1, 1994, and, pursuant to authority previously given by the Municipality, has furnished the Municipality with sets of such Replacement Pages equal in number to the number of copies of the Model Code previously ordered by the Municipality;

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF AMANDA, OHIO:

SECTION 1. Pursuant to Ohio R.C. 731.23, the 1994 Replacement Pages for the Model Ohio Municipal Code, prepared and promulgated by The Justinian Publishing Company of Cleveland, Ohio, are hereby adopted by and for the Municipality.

SECTION 2. All ordinances, resolutions and parts of ordinances and resolutions which are in conflict with any of the provisions of the 1994 Replacement Pages for the Model Ohio Municipal Code, adopted in Section 1 hereof, are hereby repealed. Those ordinances, resolutions and parts of ordinances and resolutions which are not in conflict with any provision of the 1994 Replacement Pages for the Model Ohio Municipal Code are hereby expressly excepted from repeal by this ordinance and shall continue in full force and effect until otherwise amended or repealed by Council.

SECTION 3. The enactment of this ordinance, including the 1994 Replacement Pages for the Model Ohio Municipal Code adopted herein and the repeal provided for in Section 2 hereof, shall not be construed to affect a right or liability accrued or incurred under any legislative provision prior to the date of such enactment, or any action or proceeding for the enforcement of such right or liability. Such enactment shall not be construed to relieve any person from punishment for an act committed in the violation of any such legislative provision, nor to affect an indictment or prosecution therefor. For such purposes, any such legislative provision shall continue in full force notwithstanding its repeal for the purpose of adoption of the 1994 Replacement Pages for the Model Ohio Municipal Code provided for herein.

SECTION 4. Pursuant to Ohio R.C. 731.21, 731.22 and 731.23, the Clerk of Council shall cause to be published a notice of the enactment of this ordinance, containing the title of the ordinance and a summary of the new matter covered by it, which summary is attached hereto and marked Exhibit "A."

RE: Resolutions and Ordinances

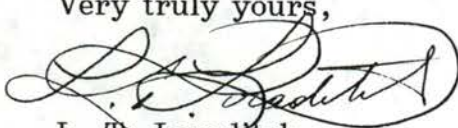

Dear John:

In accordance with your request I have reviewed our Village records with regard to various ordinances and two resolutions and have found the following:

There are no resolutions numbered 82-13, 83-3 and 88-7. In addition resolution 84-1 does not exist. There is a note in our records stating that resolution 84-1 is now ordinance 84-2. Further there is no resolution 84-8 and our records indicate that resolution was not completed as it would have been duplicative of resolution 84-3, (enclosed). Resolutions numbered 85-5, 85-6, 86-5 and 89-27 are enclosed. In addition, I enclose two resolutions; one titled Resolution Authorizing Submission of Formal Application to Farmers' Home Administration and the other titled Resolution Authorizing Agreement with R. D. Zande & Associates, Ltd. for Ground Water Monitoring Services which I believe are resolutions 91-2 and 91-3. Ordinance number 88-7 does not exist and ordinance number 90-1 is enclosed.

Should you need any additional information, please call.

Very truly yours,

April 8, 1996

TO: *The Council of the Village of Amanda*

GREETINGS:

Regarding the apportionment of Fairfield County's Undivided Local Government and Undivided Local Government Revenue Assistance Funds, the Ohio Revised Code (5747.53 and 5747.63) specifically provides for the adoption of an alternative formula by the County Budget Commission.

APPROVAL BY GOVERNMENTAL UNITS...

"Such alternative method of apportionment shall have first been approved by all of the following governmental units: the board of county commissioners; the legislative authority of the city, located wholly or partially in the county, with the greatest population; and a majority of the boards of township trustees and legislative authorities of municipal corporations, located wholly or partially in the county, excluding the legislative authority of the city with the largest population..."

APPROVAL BY MOTION...

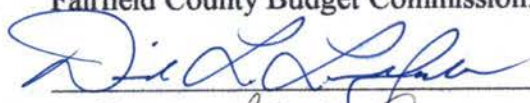

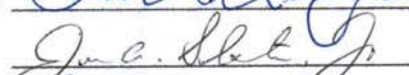

"In granting or denying such approval, the board of county commissioners, boards of township trustees, and legislative authorities of municipal corporations shall act by motion. A motion to approve shall be passed upon a majority vote of the members of a board of county commissioners, board of township trustees, or legislative authority of a municipal corporation, shall take effect immediately, and need not be published...."

Accordingly, the Fairfield County Budget Commission has voted to adopt and recommend for your approval by motion, "alternative" methods and formula(s) for the apportionment of the County Undivided Local Government and Undivided Local Government Revenue Assistance Funds. A copy of the Commission's proposal is attached and may be included by reference in a motion for approval.

As the Fairfield County Budget Commission, we respectfully recommend your approval of this alternative method and formula(s). "Tax Budget" season is fast approaching. Please take action as soon as possible.

Sincerely:

Fairfield County Budget Commission:

 President
 Vice-President
 Secretary

MOTION TO RECOMMEND AND ADOPT AN ALTERNATIVE FORMULA FOR THE APPORTIONMENT OF THE COUNTY UNDIVIDED LOCAL GOVERNMENT FUND (ULGF) AND THE COUNTY UNDIVIDED LOCAL GOVERNMENT REVENUE ASSISTANCE FUND (ULGRAF) BY THE FAIRFIELD COUNTY BUDGET COMMISSION.

The Ohio Revised Code provides that "...the county budget commission may provide for the apportionment of such fund under an alternative method or on a formula basis.." (ORC 5747.53 for ULGF and ORC 5747.63 for ULGRAF); and

Therefore the Fairfield County Budget Commission adopts alternative method(s) and formula(s) for apportioning county ULG and ULGRA funds beginning in 1996 for funds distributed in 1997.

The Fairfield County Budget Commission adopts the following formula for the annual apportionment and distribution of the County Undivided Local Government Fund:

AUTHORITIES:

Fairfield County	45%
Fairfield County Park District	1%
City of Lancaster	27%
Other Cities and Villages	11%
Townships	16%

And of the 11% to be apportioned and distributed to the "Other Cities and Villages", the first \$242,863 shall be apportioned and distributed as specified under the heading "Adjusted Minimum Allocation" of Exhibit I, attached. The apportionment and distribution of funds in excess of \$242,863 shall be apportioned and distributed to each of the sub-divisions in "Other Cities and Villages" at the ratio of each sub-division's population to the total population of the "Other Cities and Villages" taken together.

Of the 16% to be apportioned and distributed to the "Townships," the first \$377,976 shall be apportioned and distributed as specified under the heading "Adjusted Minimum Allocation" of Exhibit II attached. The apportionment and distribution of funds in excess of \$377,976 shall be apportioned and distributed to each of the sub-divisions in "Townships" at the ratio of each township's population to the total population of the townships taken together.

Where the apportionment and distribution of "excess" funds is dependent upon population estimates, the County Budget Commission shall use the most current population estimates available from the Ohio Department of Development - Office of Strategic Research, a State Affiliate of the U.S. Census Bureau or, such other consistent source as the Budget Commission determines reliable.

In the event of a merger across sub-division groups, the Budget Commission will modify the percentages assigned to each group and adjust the "Adjusted Minimum Allocation" of the successor sub-division to reflect the apportionments in effect for the year of, or immediately

preceding, the merger as the Commission deems appropriate.

The Fairfield County Budget Commission adopts the following formula for the annual apportionment and distribution of the **County Undivided Local Government Revenue Assistance Fund**:

AUTHORITIES:

Fairfield County	45%
Fairfield County Park District	1%
City of Lancaster	27%
Other Cities and Villages	11%
Townships	16%

The apportionments to the "Other Cities and Villages" and "Townships" will be further apportioned and distributed at the ratio of each sub-divisions apportioned Local Government funds divided by their respective group's total Local Government funds apportionment.

Mr(s). Curtiss made a motion to adopt the alternative method(s) and formula(s) for the apportionment of the County Undivided Local Government and Undivided Local Government Revenue Assistance Funds as outlined above and to recommend approval by the appropriate tax authorities.

Mr(s). Slater seconded the motion and the roll being called upon its adoption the vote resulted as follows:

Mr. Diehl, aye

Mrs. Barbara Curtis, aye
