Commodore's Corner

Greetings HBYC members & Friends!

April is a busy month for rentals. Susan has done a great job and we have five event rentals for this month. Most of these inquiries come from our web site. Thank to Pat and Sheryl Coggins for the design and adding the capability for inquiries to be submitted online. Their rentals are a great way for the club to raise money. One of the things we did last month was replace one of the dock, slip ramps, Terry Lemmons, Bill Colleypriest, and Sean Crowder deserve a big thank you for helping replace the ramp. We still need to do some additional dock repair and money from these rentals will help do that.

The yacht club has some important events of its own coming up. We have a sock up on April 11. Please plan to attend and send your reservation information to Patti Ames. Our general membership meeting is on April 26. This event will be catered to ensure you have a great meal and give everyone an updated picture of the club. The Kentucky Derby party will be held on Saturday, May 6 at 3:30 PM. Ladies wear your best hat. There will be fun and games as well as picking the winning horse.

The Country Western and the Trivia Night dinners were great fun. Thanks to the decorating committee, and a special shout out to Gay Colleypriest, Theresa Tincher, and Patti Ames, and the entire decorating committee for helping put together these events.

Do to time constraints of family needs MJ Prichett has resigned from the position of Vice-Commodore. We are looking for someone to fill the vice Commodore position for the balance of the year.

We had it for new members to the yacht club in April Jayme and Kelly Hansen. They enjoy fishing, motorcycling rebuilding cars. The other couple where it is Michael and Jerry Marino are they enjoy gardening, boating, scuba diving. Both couples will be renting boat slips for their boats at the yacht club. Please make sure that you get to know the new members and make them feel welcome.

The Hernando Beach Yacht Club has joined the Hernando Beach Property Owners Association. Bill Roberts is the president. Several of our club members are members the HBPOA They currently have a corporate membership with the HBYC and meet twice monthly. The HBPOA is an active Civic Association with many committees whose volunteers look into and promote dialogue about issues that are of concern to our community. Roberts has spoken highly of the Yacht Club at the meetings, and this is helped us attract Additional members I attended there 31st anniversary meeting and dinner and we will be getting an additional members from this organization.

Thank everyone for their continued support and I just wanted to remind everyone. We have plenty of volunteer opportunities.

Your Commodore,

Ralph Kennedy

Bill and Gay Colleypriest

What is your favorite food and drink?

Bill doesn't have a favorite he really enjoys cooking everything and he loves his flavored water. And really enjoys our sweet wines that we make. I love a home cooked meal of comfort food. A good Roast and mashed potatoes is one of my favorites, but I guess my favorite would be good ole Tex Mex and a Margarita.

Where were you born?

Bill was born in Freeport Long Island NY and spent his childhood in the North, but his Grandparents had a home in Hudson Florida so spent a lot of time down here in this area. His parents both born in England, bought a home in the Hernando Beach area in 1974, for a retirement home. His father worked with PanAm and BOAC (now British Airways) so his family had the opportunity to travel the world in the good ole days. He has a brother who lives in the England on the Isle of Wight so Bill (will have to share that story another time, interesting story) still has strong ties to England. Bill followed in his Dads footsteps and worked with both PanAm and retired after 38 years with British Airways as an Engineer. Bill is the youngest of 4 in his family. We met when I was stationed in San Francisco CA with British Airways back in 1997. I was born in Pasadena Texas the oil refinery city of Texas, near Houston. I grew up in the metropolitan city of Houston. I am the oldest of 4 in my family. And moved to CA with British Airways as a Customer Service Manager. Bill was married once before and had no children, I had just gone through a divorce and have 2 daughters which were teenagers when we married. So he had his challenges with them but accepted me and loved me dearly anyway.

What state did you spend most of your life in?

I spent most of my life so far in Texas, but before it's over it will be Florida, Bill spent majority of his life traveling but I would say most of his time was spent in Florida.

What makes you crazy?

I don't think too much makes us crazy, but the way the world is today makes me craziest and sad.

If we could travel more, we would:

Travel more...just need to make more time for travel around the US and abroad.

What is your favorite activity?

Our favorite activity is being on the water. Fishing, cruising on our Jet Skis, Kayaking and swimming.

What do you guys love doing together? **Everything!!!**

STICKY NOTE:

Susan Myers has graciously agreed to Chair the December 31, 2023 New Year's Eve Party. There was a meeting on March 25th .. She has spent a great deal of time pre-planning this event and organizing the details. Susan has a gift for coordinating wonderful events. Can you help? Please reach out directly to Susan by phone or email.
