

FOR IMMEDIATE RELEASE

## Shore Business Solutions Achieves AAA Platinum Service Designation The Only New Jersey – Based Company on the List

Wall Township, New Jersey, May 25<sup>th</sup> 2021 – Shore Business Solutions, a leading Office Automation Provider headquartered in Wall, NJ, today announced it has achieved the coveted **2020-2021 AAA Platinum Service Provider Designation** from Sharp Imaging and Information Company of America. Sharp awards Platinum Level Service status to outstanding dealers that have exceeded performance benchmarks and implemented industry best practices during the past year. Shore Business Solutions is among a select group of dealers recognized by Sharp from the hundreds of dealers that sell Sharp’s advanced business products and solutions in the US, and among only 15 dealers nationwide to achieve the AAA status, the highest recognition in the platinum program.

“The Platinum Level Service award recognizes Sharp dealers such as Shore Business Solutions that demonstrate exceptional customer support and the highest level of achievement in critical areas of service delivery,” said Greg Gumpright, Director, Services, Sharp Imaging and Information Company of America. “The award is a symbol of meeting Sharp’s highest standards which recognizes Shore Business Solutions for meeting and exceeding performance benchmarks and implementing industry best practices.”

“In our 41 years of operation we have always strived to provide a high level of service and support. At the beginning of 2020 we made the commitment to heavily re-invest in our support infrastructure, training, and facilities, with AAA designation as a key benchmark for our dealership”, said George A. Krebs, President Shore Business Solutions. “Throughout 2020 we maintained our course and that commitment to excellence. It is an incredible honor to be awarded this designation from our long-time partners at Sharp and a testimony to the hard work and determination of everyone on our service team. We are even more proud to achieve the highest level, AAA, in our inaugural year participating. It is not only a significant accomplishment as a company, but it also guarantees the highest level of support for our customers.”
