- Passport - YES or NO? Expiration Dates
- Vacation destination, dates (firm or flexible), length of stay, as well as flight, car rental, or transfers needed, any other important factors.

- Budget for projected itinerary (either per person, or per trip)

---> *Please remember, as we work solely on commission, we do thank you in advance for your booking!* <---

**Most Travel Consulting Services are FREE!** Travel Consultants work in a mostly commission-based career, however, with the great deal of expertise, continual education and research involved in planning your dream vacation, we do sometimes require a small fee for our services. While we receive commission on "most" travel plans directly from the vendors, that is not always the case.

**\*\*You will be notified if there are any additional fees for your itinerary.\*\***

*There may be Planning or PTG Fees for complex FIT, large groups and International Travel Planning. (Airfare-only purchased OUTSIDE of a vacation package has a fee of \$25 per ticket for domestic and \$50-100 for international.)*

**PAYMENT PLANS.** Yes, Payment Plans are available! We accept payments at any time, in any amount, for your travel arrangements. Payment Plans are subject to the requirements of the travel vendor, resort, cruise line, etc. Travel booked within 60 days will not be eligible for these plans. Ask about your specific trip.

**A Cruises, Inc. booking fee of \$24.99 is charged per booking (not per person) upon deposit and is nonrefundable.**

#### PRICES SUBJECT TO CHANGE!

**ALL PRICE QUOTES & AVAILABILITY ARE SUBJECT TO CHANGE** until a deposit is paid and the offer/option becomes a confirmed booking. Prices and availability subject to change, including: all cruises, staterooms, hotels/resorts, room types, airfare, car rentals, transfers, price promotions, special offers, perks, sales, and any and all other aspects of the vacation itinerary that has not been deposited, or paid in full, whichever is applicable at the time of booking.

**Travel less than 30 days from departure** require a scan on the guests credit card, front and back, along with photo ID, the guests name on the booking must match the name on the credit card. The address on the driver's license must match the address we send documents.

**A credit card authorization is required for ALL travel planning services.**

**Plan-To-Go Deposits** are for the research, planning and servicing of your customized travel itinerary! **You will be notified in advance if your travel itinerary requires a PTG deposit & receive written details. 100% of this deposit is applied to your vacation package when you book with us!** While most travel planning is included with your booking, sometimes a more complicated itinerary requires additional research and preparation. Initial quote packages are \$150. Because we invest valuable time & expertise into your travel plans, this deposit is nonrefundable, even if you decide not to book your travel through SLATE Vacations – Cruises, Inc. The PTG Deposit is ONLY put toward the final payment on your travel. It is NOT refundable should you cancel or postpone travel. Plan-To-Go Deposits are invoiced by, and payable directly to, SLATE Vacations, Stefanie Moylan-Dozier.

**VACATION CANCELLATIONS:** Cancellations are subject to a Cruises, Inc., cancellation fee of \$35 per person, as well as any penalties and fees imposed by the travel vendor. Additionally, ALL services that we have booked WILL be canceled. This does include cancellation of any and all Fast Passes or Dining Reservations with Theme Park and other vacation packages.

### Cruise Planning, Quotes & Booking

### Our Cruise Planning Services:

- **Cruise Fare Watch:** We will get you a lower price if it becomes available for your cruise! (Before final payment and your cabin type must be available to qualify.)\*
- **Travel Planning:** Airfare, Car Rental or Transfers, Pre/Post Cruise Hotel Stays, Tours & Shore Excursions, City Guides and information on Ports of Call.
- **Onboard Concierge Services:** Dining Reservations, Beverage Packages, Show Reservations and more as requested.

### Cruise Quotes & Booking Process:

Each cruise option has a link that provides information on the itinerary and ship.

Let me know which itineraries you are most interested in and I will get exact quotes for your family. REMEMBER, cruises have additional taxes, fees and port charges, etc that are not included in the prices. I will include everything so that you know the complete cruise cost. BUT ON THE FLIP SIDE, the 3rd and 4th person in the cabin are discounted!

After I provide you with quotes, and you choose which itinerary is best for your family, we will book your cruise with your deposit. Then the real fun begins! I will provide you with shore excursions and tours for your ports of call, and we can start planning your pre/post cruise hotel stays, flights, ground transportation and any other components needed for your vacation! .

\* Remember, We do expect our clients to arrive in their embarkation port city at least 24-48 hours in advance of your cruise vacation! This is to ensure that you do NOT miss the ship for any reason! Anything can happen, even during perfect weather conditions... flight delays/cancellations, car accidents, crazy occurrences beyond our control, etc. We follow this rule ourselves, and always have, and we live in Florida! *"if it can go wrong, it will go wrong, and at the worst possible time!"*

- **Pricing:** Our cruise pricing is the SAME as the cruise lines (or better) ! (We book directly through them on their Travel Agent-designated sites.) We often have additional EXCLUSIVE sales, perks or offers that are not available to the public! We are paid directly by the cruise line, so there is no additional cost to you! We do charge only a one-time \$24.99 per cabin fee that includes all of our services for your cruise vacation planning services.

- **Payments:** As with all travel, we require a credit card on file. You can change this card at any time. You will make a deposit to hold/book your cruise cabin(s), based on the cruise line policies and rate code chosen. Then, you are welcome to make payments at any time, in any amount, as long as the total amount due is paid by the final due date, as provided by the cruise line. We make all payments for you and they post directly from the travel vendor.

-

\*Cruise Fare reductions are often funded as onboard credit, not necessarily a reduction in balance due. The way it is funded, if it is funded, how much, and all other factors are at the discretion of the cruise line. Cruise Fare Reductions are limited to two per cruise, unless the cruise line only allows one.

***Please remember, as we work solely on commission, we do thank you in advance for your booking!***

That means, if you book 6 months, a year, or even more in advance, we are working all that time and not getting paid. We encourage you to book early because **IT BENEFITS YOU!**

2. More than \$75, we will let you know prior to depositing your booking.
3. OR - you can give us your personal limit: "Not to exceed a price change of X amount"

## FAQ's

### FAQ's: I call this "Transparency"

#### Does it Cost More To Book Through a Travel Agent / Consultant?

##### CAN YOU REALLY MATCH THE PRICE "ONLINE"?

YES! We have the EXACT SAME PRICING as all of the travel vendors (cruises, resorts, Disney, etc.) BUT, sometimes we have an even better offer/deal, extra perks or other added values on top of our amazing (included) services!

##### HOW DO YOU GET PAID?

99% Commission only! So, please remember, as we work solely on commission, we do thank you in advance for your booking! We can do hours of work on your custom travel quotes before you even make your deposit. Please respect our time too!

##### WHO PAYS YOU?

The Travel Vendor pays us directly! You don't have to do a thing! When we book cruises, resorts, hotels, vacation packages, theme park packages and more... the travel vendor pays us commission AFTER your final payment. (YES, that means we can literally work for free for months, a year or even more!)

##### WHAT ABOUT EXTRA FEES?

Most Travel Consulting Services are FREE!

Travel Consultants work in a mostly commission-based career, however, with the great deal of expertise, continual education and research involved in planning your dream vacation, we do sometimes require a small fee for our services. While we receive commission on "most" travel plans directly from the vendors, that is not always the case. \*\*You will be notified if there are any additional fees for your itinerary.\*\*

There are times Travel Consultants charge fees:

1. Ticketing fees for Airfare, unless included in a vacation package (Airlines do NOT pay commission.) \$25-50
2. Detailed FIT and International Travel Planning - \$150+
3. Additional quotes and research beyond the initial quotes
4. Concierge / VIP services as requested
5. A Cruises, Inc. service fee of \$24.99 is charged per booking (not per person) upon deposit on all bookings.

##### WILL YOU REBATE YOUR COMMISSION?

Simple. No. I will not do that. It is highly frowned upon in the industry. Some vendors will even ban us from selling their product if we do so! Not to mention, would you give away your only income? Probably not. So please don't ask. Moreover, we have a commission split with Cruises, Inc for belonging to their amazing agency. So the commission we get, is not even 100% our own. And, taxes. Enough said.

.

.

## **What Are Your Specialties & Certifications?**

**First and foremost, I am a CERTIFIED FAMILY TRAVEL SPECIALIST.**

I focus on, and am certified in, various destinations, travel specialties & niche vacation experiences, including: Caribbean Destinations, Cruises, Puerto Rico, Jamaica, Hawaii, European Destinations, Disney Destinations, SeaWorld Parks, Merlin Entertainment, and more! Many of the certifications required annual continuing education to maintain.

I have traveled in over 35 countries throughout 4 continents (many multiple times) and 39 of our great states, including Hawaii.

Many of my certificates are located in a photo album of my Facebook page: <https://www.facebook.com/SLATEvacations/> - Meet Stefanie, Your Vacation Specialist

## **More FAQ's**

### **Do you offer Payment Plans?**

YES! Payment Plans are available! We accept payments at any time, in any amount, for your travel arrangements. Payment Plans are subject to the requirements of the travel vendor, resort, cruise line, etc. Travel booked within 60 days will not be eligible for these plans. Ask about your specific trip. The deposit amount and final due date is designated by the travel vendor.

**Aren't you just a "sales person"?**

NO! I AM a Travel Consultant. I AM NOT a sales person. I DO NOT represent any travel vendor. My education is in travel, destinations and experiences, not sales. I create custom vacation packages, from a wide variety of vendors, which will meet your family's needs, expectations and budget for your best travel experience. Given a choice, I may choose one vendor over another for the same trip because of their quality and service, but not for any other reason.

**Are you licensed to sell travel insurance?**

No. I am NOT an insurance agent. I am a Travel Agent. We highly recommend always using Travel Protection and offer opportunities for you to buy through the travel vendor (cruise line, consolidator, etc.) or through a provider we have a relationship with through Cruises, Inc. HOWEVER, you, the client, are responsible for reading the travel protection coverage / insurance policy to make sure the benefits and coverage is what you expect, want and need for your family. We are not licensed insurance agents and are not responsible for the benefits, or lack thereof, in the travel protection / insurance that you choose. You can choose the vendor we provide, or you may purchase coverage on your own. We only recommend that you do consider getting the policy that is best for you to protect yourself as well as your investment.

Everyone thinks things "won't happen to them". Well, I can tell you that they do happen, and they happen more often than you think! Travel Protection to help cover the cost of:

Trip cancellation - Trip interruption (car break down, flight delay) - Lost luggage - Trip and baggage delays - Medical expenses - Emergency medical transportation - Death and repatriation – Accidents, injury, sickness, missed ship/plane, death and more, of you, a traveling companion or a family member may be covered. Check your policy carefully.

NOTE: :If you opt to NOT purchase the insurance with deposit, because you think you have no pre-existing conditions, REMEMBER that ANY illness or injury that may happen between now and the time you purchase the insurance will NOT be covered. Purchase Travel Protection as soon as possible.

**Why do you always recommend a passport book?**

Just because something isn't "required" does not mean it isn't a smart thing to do! **While not always required, we highly recommend always traveling with a Passport BOOK (valid for at least 6 months beyond completion of your travel) whenever travelling outside the 48 contiguous states!** If something happens, you cannot fly home from another country (with few exceptions) without one and it will be a big, timely expense. And believe me, anything can, and does, happen! A passport also trumps all other identification, so you will find it to be a very handy thing to have!

## CUSTOMER IDENTIFICATION AND PROOF OF CITIZENSHIP

**The spelling of the guest(s) name and birthdates, as booked for a cruise or land vacation, must match exactly as their valid passport or proof of citizenship / identification during check-in formalities. The Transportation Security Administration (TSA) requires all airline passengers to provide the following Secure Flight Passenger Data:

- Full Name as it Appears on Government-Issued I.D.
- Date of Birth

Names provided to SLATE Vacations / Cruises, Inc. for customers must be an **EXACT MATCH** to the Government-Issued ID that will be used during travel. The customer is responsible for all fees and expenses that may be incurred due to an incorrect name, or to the denial of travel due to an incorrect name. A name revision fee of \$25 per person will be assessed by SLATE Vacations / Cruises, Inc for name corrections or revisions, in addition to other fees assessed by airlines or other suppliers.

It is the customer's responsibility to verify that a passport is valid at the time of departure, remains valid for a minimum of six months beyond the return travel date, and contains sufficient BLANK pages to attach any required visas for their travel. Some countries may require that children under 18 years of age must travel with the consent of both parents. Please verify the most current documentation and entry requirements with the country's consulate, an immigration office or at [www.travel.state.gov](http://www.travel.state.gov). Failure to comply with these regulations may result in denied boarding, denied entry, and/or government imposed fines. No refund will be issued for losses incurred as a result of failure to obtain or provide required valid documentation.

Updated information regarding security measures and requirements for air travel are available at <http://travel.state.gov>. **It is highly recommended for the customer to check this website for possible changes due to security measures and air travel for their scheduled destination(s). It is the customer's responsibility to verify current entry requirements and obtain the necessary travel documentation based on the country of origin, destination and any countries in which a stop is scheduled. An entry visa and passport may be required.**

Any change made will result in the reservation being re-priced at the rate in effect at the time of the change. A "name change" constitutes a cancellation and cancellation fees will apply.

**Cruises, Inc. will assess a \$35 per person vacation cancellation fee**

### **PASSPORT BOOKS:**

**While not always required, we highly recommend always traveling with a Passport BOOK (valid for at least 6 months beyond completion of your travel) whenever travelling outside the 48 contiguous states!**

**PAYMENT PLANS:**

With your low deposit, you can make payments over time for your vacation, at any time, in any amount, as long as the final payment is made by the final due date with the travel supplier.

**IMPORTANT NOTICE**

**The spelling of the guest(s) name and birthdates, as booked for a cruise or land vacation, must match exactly as their valid passport or proof of citizenship / identification during check-in formalities. It is the guest's responsibility to give us the names as they exactly match.**

**PASSPORT BOOKS**

**But, my closed-loop cruise, trip to Alaska / Hawaii says I do NOT need a passport!**

Just because something isn't "required" does not mean it isn't a smart thing to do! **While not always required, we highly recommend always traveling with a Passport BOOK (valid for at least 6 months beyond completion of your travel) whenever travelling outside the 48 contiguous states!** If something happens, you cannot fly home from another country (with few exceptions) without one and it will be a big, timely expense. And believe me, anything can, and does, happen! **Keep a photo of your passport in your phone, and in your email, for easy accessibility in case of emergency!**

**TRAVEL PROTECTION / INSURANCE**

**Why is Travel Protection HIGHLY RECOMMENDED?**

Everyone thinks things "won't happen to them". Well, I can tell you that they do happen, and they happen more often than you think! Travel Protection to help cover the cost of:

Trip cancellation - Trip interruption (car break down, flight delay) - Lost luggage - Trip and baggage delays - Medical expenses - Emergency medical transportation - Death and repatriation - Accidents, injury, sickness, missed ship/plane, death and more, of you, a traveling companion or a family member may be covered. Ask for details on the Travel Protection plans available for your specific vacation!

NOTE: If you opt to NOT purchase the insurance with deposit, because you think you have no pre-existing conditions, REMEMBER that ANY illness or injury that may happen between now and the time you purchase the insurance will NOT be covered. Purchase Travel Protection as soon as possible.

## YOUR TRAVEL CONSULTANT'S COMPENSATION

***I often hear people say, "It costs more to book through a Travel Agent / Consultant." That is absolutely untrue. In fact, the TA commission is already built into the price you pay. Therefore, when you don't use a TA, you are actually cheating yourself out of an added benefit! 99% of Hotels, Resorts, Car Rentals, Cruises, Theme Park Packages (Yes, Disney, Universal SeaWorld, etc) and more all already include this in their standard price. You ARE already paying for it!***

**There are times Travel Consultants charge fees, some include:**

1. Ticketing fees for Airfare, unless included in a vacation package (Airlines do NOT pay commission.)
2. Detailed FIT and International Travel Planning
3. Additional quotes and research beyond the initial quotes
4. Concierge services

Often times your Travel Consultant can SAVE you money in the long run, and/or get you added benefits you weren't aware of... and they certainly save you time and energy!

**Most Travel Consulting Services are FREE!** Travel Consultants work in a mostly commission-based career, however, with the great deal of expertise, continual education and research involved in planning your dream vacation, we do sometimes require a small fee for our services. While we receive commissions on "most" travel plans directly from the vendor, that is not always the case. For instance, airlines do not pay commission. And all commissions we do receive are shared with our host agency, Cruises, Inc.

**Cruises, Inc.** - A fee of \$24.99 is charged per booking (not per person), upon deposit and is nonrefundable.

**PAYMENT PLANS.** Yes, Payment Plans are available! We accept payments at any time, in any amount, for your travel arrangements. Payment Plans are subject to the requirements of the travel vendor, resort, cruise line, etc. Travel booked within 60 days will not be eligible for these plans. Ask about your specific trip.

**You will be notified if any of the following apply to your specific travel plans!**

**1. Plan-To-Go Deposits** are for the research, planning and servicing of your customized travel itinerary! 100% of the PTG Deposit is applied to the final payment of your vacation package! You will be notified in advance if your itinerary requires an additional deposit. Deposits start at \$150. Each additional quote package is \$50.00. Because we invest valuable time & expertise into your travel plans, the deposit is nonrefundable, even if you decide not to book your travel through our agency.

**2. DETAILED FIT TRAVEL & INTERNATIONAL TRAVEL**

For detailed FIT Travel and International Travel Consulting there is a minimum, nonrefundable consulting fee for research and planning your itinerary. This fee varies based on the complexity of the trip. Fees start at \$150 domestic/Caribbean and \$300 abroad/Europe. An hourly rate of \$35 may apply, as needed, per the client's needs, by Stef's Events for Event Planning & Concierge Service. Please ask for a quote.

**3. GROUPS**

There may be nonrefundable Plan-To-Go Deposit for research and planning of group itineraries. The minimum deposit is \$500. If no travel is purchased, no refund will be offered. An hourly rate of \$35 may apply, as needed, per the client's needs, by Stef's Events for Event Planning & Concierge Service. Please ask for a quote.

**4. AIRLINES**

Airlines do not pay commissions and therefore we have to charge a nominal fee for research and booking of airlines. You are welcome to book your own airfare, however, if you would like our services, the fees are as follows: \$25 domestic / \$50-100 international (depending on complexity of travel). This fee may not apply to vacation packages where the air and resort are packaged together by one vendor.

## WHY USE A TRAVEL CONSULTANT?

1. **EXPERT GUIDANCE:** Travel agents are experts in the field of travel. They are there to find the right product, at the best price, for your needs.

2. **PERSONALIZED SERVICE:** Using the services of a travel agent means you are not booking with an impersonal website. You are talking to your neighbor, someone who takes the time to find out what is important to you and finds the vacation that is just right for you!

3. **CUSTOMER ADVOCATE:** If you have problems while you are away, your travel agent is there to assist you in resolving your concerns. If you book with a travel agency, you are less likely to experience flight, city, or accommodation changes by the tour company, as they know the agent will be there to stand behind you.

4. **BEST VALUE FOR YOUR TRAVEL DOLLAR:** Travel Agents inform you about all your choices, let you know about special promotions, and can advise on the quality of a particular product.

5. **CONVENIENT ONE-STOP SHOPPING:** Your travel agent can save you time and money by handling all aspects of your trip, from airline tickets, and hotels, car rentals, insurance, shuttles, tours and activities.

6. **UNBIASED INFORMATION:** Your travel agent works for you, not the travel supplier. Their only objective is to get you the best value and satisfy you completely.

7. **BEFORE AND AFTER SALES AND SERVICE:** Travel agents help you choose and plan your vacation, prepare you for departure, and are there afterwards to assist with any questions or concerns you may have in regards to your trip.

8. **TIME SAVINGS:** Your travel agent has an abundance of information at his/her fingertips and can pull up unlimited travel options quickly and efficiently.

9. **MAXIMUM CHOICE:** Your local travel agent works with 100's of preferred vendors and can offer you a wide variety of travel options and quotes from competing travel suppliers, which assists in finding you the best value possible.

10. **TRAVEL INSURANCE:** What happens if your kids get sick? What happens if the babysitter cancels? Hurricane? Volcano erupting? Act of terrorism? Illness? Injury? Death? Did you know that most health care insurances do not cover you when you travel internationally? Travel agents can explain what insurances will cover your trip the best.

## HOW WILL A TRAVEL CONSULTANT BENEFIT YOU?

"When you work with a travel agent, she does that legwork, searching out the travel options that best meet your needs and budget. In most cases, travel agents have access to information about rates and routes that average consumer might not have, saving you time and money, even when you consider the agent's fee.

Using a travel agent can also help you score a great deal on a package or promotion." - USA

TODAY, Kristen Hamlin, "When you book through an online travel site, you might not be able to get that level of personalized attention, or you could have trouble finding someone who can help you get where you need to be. If something goes wrong when you arrive at your destination, such as your room is unacceptable or the transportation to the resort never shows up, your travel agent can usually resolve those problems."

***"Your agent will take care of everything, including flights, hotels and even event tickets, which gives you less to stress about. Working with an agent will save you hours of time, allowing you to relax." - ehow.com***

"Travel agents often have access to deals, upgrades, discounts, and "full" packages that the average person cannot purchase. Their connections with other people in the travel industry can allow them access the casual traveler doesn't have." - ehow.com

## CIRCUMSTANCES THAT MAY AFFECT YOUR TRAVEL

### \*\*\* PLEASE READ \*\*\*

If you have any of the following circumstances, please advise us immediately so that we can ensure your travel plans will not be affected...

- Pregnancy – if anyone is pregnant or planning to become pregnant (or will be more than 20 weeks along at the time of travel)
- Children – Whenever one parent is traveling with the child and the other biological parent is not, it is imperative that you bring a **\*\*signed and notarized letter\*\*** from the other parent stating you have permission to travel to “X” location on “X” dates with that child. Also you should carry the birth certificate, as well as, if possible, a photo ID and/or passport for the child.
- Felonies, Drug Convictions, Sex Offender registry, or DUI issues
- Arrests, whether convicted or not, that may have not been cleared from your record
- Unpaid or behind Child Support Obligations

Please be advised that a situation such as owing back child support or outstanding warrants, for example, which prevents you from obtaining a passport, can (and likely will) result in arrest at the port upon arrival from a cruise.

These, and other similar circumstances, may affect your travel on cruise ships or with entry to other countries (even if you already have a passport!)

PLEASE LET US KNOW IF YOU HAVE ONE OF THESE CIRCUMSTANCES.

If you have questions about your particular circumstance, we can assist you in finding the correct information in regards to your travels.

**As always, your information will be kept confidential.**

### **PASSPORT BOOKS:**

**While not always required, we highly recommend always traveling with a Passport BOOK (valid for at least 6 months beyond completion of your travel) whenever travelling outside the 48 contiguous states! Keep a photo of your passport in your phone, and in your email, for easy accessibility in case of emergency!**

## Before You Leave: Required Travel Documents & Identification

### CRUISE & TRAVEL DOCUMENTATION: U.S. CITIZENS

Below are general guidelines, HOWEVER you should always check that your documents match what is required for any travel by checking: <https://travel.state.gov/content/passports/en/passports.html>

it is still the responsibility of the guest to present the required travel documents at the time of embarkation. Guest should check with their travel agent and/or government authority to determine the travel documents necessary for each port of call. We will help you find the correct information, but IT IS YOUR RESPONSIBILITY to make sure your documents are correct, current and valid. We assume NO responsibility for advising guests of proper travel documentation. Any guest without proper documents may not be allowed to board the vessel and no refund of the cruise/air fare will be issued.

**We highly recommend that all guests always travel with a passport valid for at least six months beyond completion of travel.** This will enhance the debarkation experience as delays may be expected upon return to the United States for those without one. Additionally, this will enable guests to fly from the United States to meet their ship at a foreign port should they miss their scheduled port of embarkation and allow guests who must disembark the ship before their cruise ends due to an emergency to fly back to the United States without significant delays and complications.

### Europe and Transatlantic Cruises

PASSPORT REQUIRED. U.S citizens are required to carry a passport, valid for three months beyond the date of their visit. Guests are not required to have a Schengen Visa or other visas.

### Cruises that include travel to Cuba

PASSPORT REQUIRED. If your cruise includes travel to Cuba, you will be required travel documentation as well as a Travel Affidavit, required for all guests, including children. Ask your Travel Agent or visit: <https://travel.state.gov/content/passports/en/country/cuba.html>

### Domestic Cruises (including Canada) that do not include travel to Cuba

For cruises that begin and/or end in a U.S port, the following WHTI-Compliant Documents are acceptable for cruise travel. These standard forms of documentation will enable the Department of Homeland Security to quickly and reliably identify a traveler.

Also acceptable for cruise travel, U.S. citizens can show proof of citizenship, such as a birth certificate issued by a government agency, accompanied by a government-issued photo I.D.

Entry into Canada: If the cruise includes air travel to or from Canada, a valid, unexpired U.S. passport is required. Guests who have committed or been convicted of a crime may not be allowed into Canada - for more information, [www.cic.gc.ca/english/information/inadmissibility/index.asp](http://www.cic.gc.ca/english/information/inadmissibility/index.asp).

### Air Travel

All persons are required to carry a valid, unexpired U.S. passport for air travel to or from the United States, Canada, Mexico, the Caribbean and Bermuda. The passport requirement does NOT apply to U.S. citizens traveling to or returning directly from a U.S. territory. (Puerto Rico and the U.S. Virgin Islands: St. Thomas, St. John and St. Croix).

### **Names on Travel Documentation**

It is important that the guest's full name on the cruise and airline tickets be the same as the guest's non-expired government-issued photo I.D. they plan to use for travel identification. In the event of a different name on the cruise/airline ticket and the guest's photo I.D. as a result of a marriage, divorce or a legal name change, documentation (original or clear, legible copy) supporting this change is required (at embarkation), such as a marriage certificate, marriage license or legal name change court document. Failure to bring documentation bridging the name differences could result in denial of boarding.

Note: For newly married or soon-to-be married brides, we strongly recommend that if the non-expired government-issued photo I.D. is in the maiden name, the cruise booking be made in the maiden name (do not include the married name); If the reservation was made in the married name, but the non-expired government-issued photo I.D. is in the maiden name, documentation (original or clear, legible copy) supporting this change is required (at embarkation), such as a marriage certificate or marriage license. Failure to bring documentation bridging the name differences could result in denial of boarding.

### **Traveling with a Minor**

When traveling with a minor where one parent or both parents or legal guardians are not cruising, we strongly recommend bringing an original signed letter from the absent parent(s) or legal guardians authorizing the minor to travel with you. This will expedite processing by the Department of Homeland Security.

### **Citizens of U.S. Territories and Commonwealth**

Guests will follow the same travel documentation requirements. U.S. Territories and Commonwealth include: Puerto Rico, Guam and the U.S. Virgin Islands (St. Thomas, St. Croix and St. John), American Samoa, Swains Island and the Commonwealth of the Northern Mariana Islands.

### **Valid U.S. Passport (book)**

**Passport BOOK (*valid for at least 6 months beyond completion of your travel*)**

**Keep a photo of your passport in your phone, and in your email, for easy accessibility in case of emergency!** For information about U.S. Passports, visit [www.travel.state.gov](http://www.travel.state.gov)

### **The Passport Card**

The passport card **cannot** be used to travel by air outside the United States.

U.S. citizens may present a limited-use, wallet-size passport card. The passport card will only be valid for land and sea travel between the United States and Canada, Mexico, the Caribbean region and Bermuda.

### **State Enhanced Driver's License (EDL)**

The State Enhanced Driver's License cannot be used to travel by air outside the United States.

Several states are working with the Department of Homeland Security to develop an EDL for U.S. citizens residing in their states. This document will denote both citizenship and identity and will facilitate the entry process at land and sea ports of entry. The word 'Enhanced' must appear on the license. The following states issue this type of WHTI-compliant document: Michigan, Minnesota, New York, Vermont and Washington.

### **Original Certificate of U.S. Naturalization and a Government-Issued Photo I.D.**

The Certificate of U.S. Naturalization (form N-550 or N-570) is a document issued by the U.S. government (USCIS) as proof of a foreign born person who has obtained U.S. citizenship through naturalization (a legal process of obtaining a new nationality). Photo copies of the original document are unacceptable.

**Native American Indians**

These cards **cannot** be used to travel by air outside the United States.

- Native American Indian Tribal Documents with affixed photo I.D.
- Kootenai Tribe Enhanced Tribal Card (ETC) with affixed photo I.D.

**Unacceptable Forms of Documentation**

- Copies of any WHTI-Compliant documents
- Driver's License as the only proof
- A temporary driver's license (paperwork without a photo I.D.)
- Voter's Registration Card
- Trusted Traveler Program Membership Card (NEXUS/SENTRI/FAST) - may be used for photo identification use only
- Baptismal Papers
- U.S. Military I.D. and a photo I.D.
- A Dependent Military I.D. that is issued to the spouse and children of military personnel is not acceptable
- U.S. Military Discharge Papers
- No Record of Birth certificate: a certificate issued by the Department of Health and Vital Statistics showing that they have no records on this person
- Hospital certificate, hospital-issued birth notice, live record of birth or announcement of birth

**CLOSED-LOOP CRUISES ONLY:****Traveling with a Birth Certificate and Photo Identification****Birth Certification Information**

- An original birth certificate issued by a government agency (state/county/city) or the Department of Health and Vital Statistics
- A copy of a birth certificate issued by a government agency (state/county/city) or the Department of Health and Vital Statistics
- A clear, legible copy of a birth certificate that was originally issued by a government agency (state/county/city) or the Department of Health and Vital Statistics. The copy does not need to be notarized or certified.
- Birth Certificate Card
- A Consular report of Birth Abroad
- Internationally adopted children (under the age of 18): If the adoptive parent was not issued a birth certificate, we will accept as proof of citizenship, a Certificate of Citizenship by the U.S. and adoption paperwork. A Certificate of Citizenship is issued by the U.S. once the adoption is finalized. Guests may obtain a copy of a birth certificate by contacting: The Department of Health and Vital Statistics at: [www.vitalchek.com](http://www.vitalchek.com). If the guest has laminated their birth certificate, it is acceptable.

Birth certificates from Puerto Rico issued prior to July 1, 2010 are not valid forms of proof of citizenship and are not accepted by U.S. Customs and Border Protection. Guests from Puerto Rico either need to present a WHTI-compliant document or a government-issued photo I.D. with a validated birth certificate issued after July 1, 2010.

**\* AND \***

**Photo Identification**

A non-expired government-issued photo I.D. is required of all guests 16 years of age and older. The following are acceptable:

- Driver's License
- Driver's Permit
- School/Student I.D. (acceptable for guests 16/17/18 years of age)
- Government-issued identification card (city/state/federal)
- Government-issued Trusted Traveler Program Membership Card (NEXUS/SENTRI/FAST) - for photo identification use only

**While not always required, we highly recommend always traveling with a Passport BOOK (valid for at least 6 months beyond completion of your travel) whenever travelling outside the 48 contiguous states!**

## Answers to your FAQ's about Passports...

**EXPIRATION DATE:** Most countries require that your passport NOT expire within SIX MONTHS of your vacation END date! (So, if you are vacationing from Jan 1-7, 2016, your passport cannot expire before July 7, 2016) It is a good rule of thumb to always renew a year early.

**CRUISES:** Closed-loop cruises do not "require" a passport (cruises leaving and returning to the same US port), HOWEVER, if anything happens and you need to fly home, you will need a passport... therefore carrying a Passport Book is HIGHLY recommended.

**PASSPORT CARD:** The Passport Card may only be used for return to the U.S. by LAND or SEA travel from Bermuda, Canada, Mexico, and the Caribbean. Therefore, you can use a Passport Card to drive to Mexico or Canada. HOWEVER, again, if something were to happen and you needed to fly home, you need a Passport Book.

**A Passport Card cannot be used for any AIR travel outside the U.S. at all.**

**BABIES & CHILDREN:** YES, even babies have to follow the same passport rules.

### **WARNING:**

**Even if you already have a passport**, entry to another country may be denied if you have any of these, or similar circumstances. Please ask your Travel Consultant to assist you.

- Felonies, Drug Convictions, or DUI issues
- Arrests, whether convicted or not, that may have not been cleared from your record
- Unpaid or behind Child Support or Alimony Obligations

### **PASSPORT BOOKS:**

**While not always required, we highly recommend always traveling with a Passport BOOK (*valid for at least 6 months beyond completion of your travel*) whenever travelling outside the 48 contiguous states!**

**Keep a photo of your passport in your phone, and in your email, for easy accessibility in case of emergency!**

**It is the guest's responsibility to obtain all valid travel documents for their vacation. These valid travel documents such as passports, visas, inoculation certificate and family legal documents are required for boarding and re-entry into the United States and other countries. Guests should check with their travel consultant and/or government authority to determine the travel documents needed for each destination, including the port of embarkation for cruises.**

#### Documentation and Immigration Requirements

1. Guests are highly encouraged to travel with a valid passport, even when not required.
2. **For your protection, we recommend that your passport expiration date does not occur within six (6) months of the travel return date.**
3. Some foreign ports of call require a visa. Please contact the Embassy (Consular Services) of each country on your sailing itinerary or the visa service of your choice for specific visa requirements, information, forms and fees for your nationality. We suggest the following visa provider, CIBT at [www.visacentral.com](http://www.visacentral.com) or 1.800.579.2406
4. The spelling of the guest(s) name as booked for a cruise or land vacation must match exactly as their valid passport or proof of citizenship / identification during check-in formalities.
5. Certain countries may have specific travel requirements for your itinerary. Please check [www.getyouhome.gov](http://www.getyouhome.gov) or <http://travel.state.gov/> to understand what is necessary for your vacation.
6. All guests (including children) must present a valid passport when sailing on U.S. Open Loop voyages. These are voyages that commence in a U.S. port, travel within the Western Hemisphere, and end at a different U.S. port. When traveling on these sailings, please take extra caution in understanding the specific documentation requirements.
7. All guests (including children) require specific travel documents that may include either a passport or other documentation, such as a government-issued birth certificate and laminated government issued picture ID denoting photo, name and date of birth, when traveling on U.S. Closed-Loop voyages. These are voyages that commence and end in the same U.S. port without leaving the western hemisphere. Please note that Baptismal papers, hospital certificates of birth, voter registration cards or Social Security cards are not considered proof of citizenship.
8. Should the last names of the parent and minor child traveling with them differ, the parent is required to present the child's valid passport and visa (if required) and the child's birth certificate (original, a notarized copy or a certified copy). The name of the parent(s) and the child must be linked through legal documentation.
9. Adults who are not the parent or legal guardian of a minor traveling with them must present an original notarized letter signed by the child's parent(s), authorizing the adult to take the child on the specific cruise, supervise the child and allow emergency medical treatment to be administered.
10. Guests on consecutive sailings must ensure they have the proper travel documents for their entire cruise vacation and for any port within their itinerary(s).

Updated information regarding security measures and requirements for air travel are available at <http://travel.state.gov>. **It is highly recommended for the customer to check this website for possible changes due to security measures and air travel for their scheduled destination(s). It is the customer's responsibility to verify current entry requirements and obtain the necessary travel documentation based on the country of origin, destination and any countries in which a stop is scheduled.
