The Real Meaning Of The Rainbow.

Cities around the world once a year celebrate Gay Pride Day, supported by you or other tax payers, well us.

When it is I don't know, I don't care, I don't support nor celebrate it. My first opening point is that this organization, group stole the symbol of the rainbow and perverted it and should think very hard and long on that. Only because of whom they stole it from!

The failed, corrupted and embarrassing Supreme Court ruled that same-sex couples can now marry nationwide. For this...those on the Court will answer to GOD for it. HIS Divine Institution of

marriage was mocked and attacked. Not a good idea.

As soon as the announcement was made, gay and lesbian couples swarmed the streets and the press was frenzied with victory cries.

In short order, President Obummer spoke of the decision as a victory for America. What an evil man.

Within just a few weeks, America was engulfed in the symbol of gay pride, the rainbow stolen from GOD: Oh it happened decade before, the REV Jessi Jackson, what an evil man, and his org stole it others I'm sure he was not the first being not even quite that bright.

The White House was even lit up with a rainbow.

The rainbow symbol was popularized as an official symbol of the gay community in the late 1970s.

A San Francisco artist and gay rights activist....., Baker designed the gay pride flag as having six stripes, each one having its own meaning: red for life, orange for healing, yellow for sunlight, green for nature, blue for art, and violet for the human spirit. Left out the purple for GOD's Royalty. Used 6 the number of man and sin instead of 7 GOD's

completion and rest. What a bunch of morons.

As I watch people adopt the rainbow as a sign of victory for the gay rights movement, and other ungodly movements of diversity which is not diversity at all. Their agenda is not diversity it is forcing their evil upon the world. All done in the name of diversity and stupid people fall for it.

I find myself, as a Christian, as a very privileged teacher of Bible Doctrine, deeply concerned over what these people are doing using the rainbow as their symbol.

/Do they know the story of GOD's rainbow? Do people understand why GOD gave us HIS beautiful bow in the

sky? Do they have any idea what they are saying to the GOD Who created and owns the that rainbow?

The story of the rainbow takes us back to the early days of man's story in the book of Genesis.

When looking at the Biblical flood we find that the issue of marriage continues to be important to GOD.

/In GEN 6 we read, **“Now it came to pass when men began to multiply on the face of the earth and daughters were born to them, that the sons of God saw the daughters of men, that they were beautiful and they took wives for themselves of all whom they chose.”**

GEN 6 describes the last 120 years before the destruction of the first world by the flood.

These sons of GOD are the fallen angels. “whatever they liked the best, whatever suited their fancy, they took them.” Siezed them by force.

/All restraint being removed in the arena of marriage, they took whatever they pleased in a perverted form of marriage, mocking the marriage GOD had and Has in HIS plan.

Well, the wickedness became so great on the earth, and so contrary to the original creation GOD designed that GOD destroyed all saves for Noah his sons and the wives.

GOD's assessment of the human race was that the thoughts and intents of the human heart were only evil and evil continually.

/Marriage is GOD's first Institution, The Bible opens with a Marriage and it ends with a Marriage.

Marriage is important to GOD, very important.

So, after the vast and evil attack on Marriage by the KOD, GOD then rendered in HIS supreme court decision. a declaration of final judgment to the world:

**The LORD said, "I will blot out man whom I have created from the face of the land, man and animals and creeping things and birds of the**

**heavens, for I am sorry** (the Hebrew word Na ham) **that I have made them.**

Anthropopathism...

CH 7 of Genesis describes the flood waters of judgment that covered the world and destroyed every living thing saving what was aboard the Ark Noah had built. Noah and his family being saved by faith in GOD. That never changes throughout HIS Story.

/In GEN 9, we have the beginning of the world after the flood. Pre and post diluvian (latin = to wash away).

As Noah exited the ark we read of him making a sacrifice to the LORD. In response to this, the LORD does something marvelous.

**GEN 9:11-16, “I establish My covenant with you; and all flesh shall never again be cut off by the water of the flood, neither shall there again be a flood to destroy the earth.”**

**God said, “This is the sign of the covenant which I am making between Me and you and every living creature for all successive generations;**

**13 I set My bow in the cloud, and it shall be for a sign of a covenant between Me and the earth.**

**14 “It shall come about, when I bring a cloud over the earth, that the bow will be seen in the cloud,**

**15 and I will remember My covenant, which is between Me and you and every living creature of all flesh; and**

**never again shall the water become a flood to destroy all flesh.**

The Bible often describes GOD coming in judgment as HE flashes forth lightning and thunder.

But here GOD is giving Noah and his descendants, and of course that's us, the offer of reconciliation with HIM. The gift we saw this current study of Romans. Faith in HIM and HIS Righteousness.

Here GOD manifests HIMself to HIS creation. HE did it with the Stars, the language, the ancient Gates of Jerusalem, the first ten name of the Bible, so many ways that actually man is without excuse.

**/ROM 1:20, For since the creation of the world God's invisible qualities—his eternal power and divine nature—**

**have been clearly seen, being understood from what has been made, so that people are without excuse.**

It is remarkable that GOD used one of the symbols of judgment, a bow, a bow shape which was a symbol for war.

But GOD uses it as a sign of peace between HE and HIS creation. The rainbow was then is then a sign that GOD will not destroy the world with a flood in this manner ever again.

Notice, the rainbow is set in the Heavens in a relaxed horizontal position. Not a U shape...only a bow shape.

It is a symbol of a warrior setting aside his weapon for Peace.

One other thing about a rainbow:

/If you see one, the SUN will ALWAYS be behind you. So here we have another reminder that GOD sys here is MY covenant MY promise with you.

And it is all because of MY SON MY SON WHO has your back. There may be rain in front of you, but I have a promise for you and MY SON has paid the price of your sin, so the by believing I can Count you as Righteous.

We have made nice ones...until they got bored and tried get each wet. Their true mission...

This leads us to asses our current situation in the world. With the redefining of the marriage institution and the rainbow as the adopted sign of homosexuality, diversity, that is accepted and even encouraged by the Government of GOD's client Nation.

What we really have is humans now turning the rainbow upward in rage

against the LORD whether thy know it or not and some do know exactly what they are doing...

/GOD, the Creator, intended the rainbow to be a sign of HIS goodness and patience and desire that all ALL men come to HIM and believe and accept HIS free gift and to live with HIM forever.

So, we know the rainbow is a symbol of GOD's grace and Mercy.

Humanity in attempting to justify homosexual behavior against GOD's own design of HIS creation, turns the rainbow—the sign of GOD's mercy and patience—upward and aims it right at GOD, not a good idea. We know that because it is a Satanic idea.

/People are using the love of GOD to justify living directly contrary to HIS commands. From the beginning, GOD created man and woman to be one, calling them husband and wife. GOD defined plainly for us in creation who we are, what marriage is, and how each is to function. To live outside of this design is willful disobedience and sin against GOD.

Now don't get me wrong, sin is sin and we are to pray for those involved in such a lifestyle. In any lifestyle of sin. And we reach out in love to save their souls.

But, GOD's love should never be used to manipulate living contrary to HIS commands. GOD's love and kindness is only understood in the Cross of Jesus Christ.

No one truly understands love apart from Yeshua's sacrificial life and death which paid for our sin.

So, to those involved in this or any other sinful lifestyle, GOD is waiting for give you Salvation, not through your doings but because of what the LORD Yeshua did for you on the Cross.

Like all sinners...repent...

Man's rebellion against GOD has landed man in the misery and sorrow that we are experiencing and certainly seeing in this life. The world is always on the edge of chaos and always will be until HE comes back.

This is the reason our society is overcome with chaos, things like abortion, divorce, murder, arrogance, lust

for power and money transgender, what gender, any gender.

However it all points to the fact that Yeshua is the answer, the only answer.

It is Yeshua himself who invites **repentant** sinners to come to him for forgiveness and life; those who see their misery, who understand their emptiness, who confess.

/Anyone who lays claim to that love apart from repentance and faith in Yeshua has been deceived and can only expect the same fate as the people of Noah's day.

So those who have adopted the sign of the rainbow as a sign of acceptance and encouragement for homosexuality and other evils see it as an approved lifestyle,

a so-called normal lifestyle, are sincere many times, many times they are not there are just angry arrogant But regardless they are always sincerely wrong.

Remember ROM 1:32? We saw not long ago.

**/ROM 1:32, although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them.**

They should understand what they are saying to the LORD GOD ALMIGHTY.

/They have taken a sign that GOD provided HIS Creation in kindness and mercy to not flood the world again in

judgment, and to as we will see put a sign of HIS Invitation to the GOSPEL and used it to turn instead to taunt and mock HIM.

Think of it, using that symbol of GODs; Grace and Mercy to justify homosexual marriage which is forbidden by GOD, is to say to the LORD:

“we will not have you to rule over us, instead will define our lives, how we will live, who we will be, and the outcome of our choices shall be ours.”

My body my choice, which is what we should say to the Government, not to GOD.

In the case of abortion this statement is simply misplaced because there is another body involved who is given no

choice in the matter at all so it is totally used out of order and quite sickening actually.

So, a true Christian I would think would weep over such a position that people have taken against the LORD and against HIS Saints regarding this use of the rainbow.

**/PRO 22:8, “Whoever sows injustice reaps calamity, and the rod they wield in fury will be broken.”**

Remember to those to whom that applies, we pray for them. With Yeshua there is forgiveness and peace, HE is the Prince of Peace. We are all sinners, repentant sinners are counted as Righteous through faith in Yeshua. But as Christians we watch what is unfolding before us, at

times many of us, perhaps, we fell like grieving knowing what GOD has said will be the end of all who do not obey the Gospel.

So, Rainbows in the Bible hold such promise don't they? In fact, we find several examples of rainbow symbolism in the Bible. Let's take a look.

Rainbows are such an awesome phenomenon to witness. It doesn't matter how many times I have seen them, each and every time they leave me in awe. I'm sure the same is true with many of you.

I have to stop and praise GOD for HIS beauty and power and promise. You probably do too. But sadly, there are many that don't look, too busy hustling

after this or that in the devil's world. Or outright ignoring it.

Of course, scientifically rainbows are “an arch of colors formed in the sky in certain circumstances, caused by the refraction and dispersion of the sun's light by water droplets in the atmosphere.” Science aside, not to dismiss it because GOD owns science, true science that is. Unfortunately, and not surprisingly the KOD has corrupted that as well.

Rainbows are mentioned just seven times in the Scripture (keh seth) Same word for bow in Hebrew...iris in the Greek used in REV 4 and 10 I believe...

The first mention of rainbows in the Bible occurs in GEN which we opened

with. The Second Mention is Ezekiel's Vision. It takes place as the Prophets book opens.

Here Ezekiel has a vision of Heavenly and angelic beings, cherubim, that were appointed as guardians of the Holiness of GOD. Like the appearance of a rainbow in the clouds on a rainy day, so was the radiance around GOD.

**/EZE 1:28, This was the appearance of the likeness of the glory of the Lord. When I saw it, I fell facedown, and I heard the voice of one speaking.**

Ezekiel was privileged to see a vision of GOD in Heaven and the brightness of GOD was seen as a rainbow.

The next and final time we see the rainbow in Scripture is when John mentions it in REV 4:3 and 10:1.

**/REV 4:3, And he that sat was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne, in sight like unto an emerald.**

/This rainbow doesn't belong on the White House. It appears at the throne of GOD!

Especially significant because REV 4 marks the beginning of a cataclysmic series of worldwide judgments on the world.

Like the flood in Noah's day, GOD will judge worldwide civilization again for the very same reason – rampant wickedness.

But, as HE promised a flood will not be used. We are talking about a worldwide flood. And not one in a local area because mans arrogance and sometimes stupidity built a damn...damns aren't bad ...where they put them...

/So, the rainbow has nothing to do with the ungodly lifestyle of those who have adopted it as their symbol. Well it actually does in that with the rainbow is their only way to Salvation.

Knowing its true significance, we can continue to admire every rainbow that appears in the sky. And above all, praise

GOD for keeping HIS promise to every generation – even though we don't deserve it, and many, sadly ignore it.

We all have seen plenty of rainbows. Different organizations are falling all over themselves to publicize their LGBTQIRSTUVWXYZ credentials by use of the rainbow.

Why did Satan hijack the rainbow?

Well, we know GOD put it there to never punish mankind with a flood again. Its true meaning comes from the Bible.

The rainbow reassured Noah and his family that a flood on the same scale will never take place again. And so GOD made an everlasting covenant with Noah, his family, and their descendants.

The rainbow is precious. It's a symbol of GOD's grace, which, of course is why Satan highjacked it. The rainbow is also a sign, a sign of HIS greater Grace, HIS offer of Salvation.

GOD has provided the opportunity for the Gospel to be proclaimed to the whole world, we have a part in that as our Great Commission.

/The rainbow reminds us how our Heavenly Father restrains HIS anger against sin, and deals with it once for all through our LORD Jesus Christ. GOD provided a way of salvation for us.

The rainbow is not merely a symbol to be used by the KOD, although you can see why Satan took it and corrupted it.

Nor is it simply part of an ancient story. It is a living example of GOD's faithfulness to HIS creation: Man. It is an assurance that GOD has not forgotten us and that HE continues to work in this world.

Remember our LORD said that if necessary, the very rocks would cry out the salvation message?

It is proof indeed that the LORD desires that NO ONE should perish...but that all would come to Christ. We saw the names from Adam to Noah spelled out the Gospel Message.

Genealogy of Genesis 5 (with their Hebrew meaning.)		
אָדָם Adam	=	“Man” (is)
שֵׁת Seth	=	“Appointed”
אֵנוֹשׁ Enosh	=	“Mortal”
קֵיֵן Kenan	=	“Sorrow” (but)
מַהֲלָאֵל Mahalael	=	“The Blessed God”
יָרֵד Jared	=	“Shall Come Down”
חֵנוֹךְ Enoch	=	“Teaching”
מֶתוּשֶׁלַח Methuselah	=	“His Death Shall Bring”
לָמֶךְ Lamech	=	(the) “Despairing”
נֹחַ Noah	=	“Comfort, Rest”

We saw the stars, the work of HIS fingers, spell out the Gospel message which Satan has corrupted as well.

Well, here now we add the rainbow to the list of ways GOD manifests HIMself

and the offer, the message of Salvation to the list.

The entire spectrum of colors visible to man come from these seven colors, through these seven colors. 7 the number of completion.

/Meaning that NOTHING can be done to improve the Salvation message. Nothing can be added to it, the plan of man's Salvation has been perfectly completed.

\Here are the colors of the Rainbow:

RED

ORANGE

YELLOW  
GREEN  
BLUE  
INDIGO  
VIOLET

These were also the colors used in the Temple.

Red = The color of man and sin and the solution to that sin. That sin that GOD knew from the beginning would have to be dealt with.

Red, found in rainbows, possesses the longest wavelength of light. It is the second most popular favorite color among humans...the most favorite is blue.

Red is found on 8 out of 10 of the worlds national flags. It is the first pigment ever used for art.

Its use in Scripture lends itself to symbolically represent sin and sinfulness

**/ISA 1:18, Come now, and let us reason together,” Says the LORD, “Though your sins are as scarlet,**

**They will be as white as snow;  
Though they are red like crimson,  
They will be like wool.**

**Speaking of sin ISA 63:2, says, Why is  
Your apparel red, And Your garments  
like the one who treads in the wine  
press?**

**As well as the temptation to sin  
/PRO 23:31, Do not look on the wine  
when it is red, When it sparkles in the  
cup, When it goes down smoothly;**

**The appearance of the great red dragon  
of REV 12, representing the power of  
Satan and his steadfastness to bring  
bloodshed and death to all, signals the  
beginning of the worst time any human  
will ever experience (MAT 24:21).**

/Red represents the color of blood that was shed for the solution to that sin. The Messiah's blood the Righteous One, the Lamb that would take away that sin. It represents man and his need for a savior.

The beginning of the Gospel message is that man is a sinner and needs a Savior. That Savior came and shed HIS blood to cover man's sin. Our sin has been forgiven and forgotten, cast as far as the east is from the west.

**/PSA 103:12, As far as the east is from the west, So far has He removed our transgressions from us.**

GOD's demand for perfect justice has been fulfilled.

Well red represents man's sin and his recognition of his need of a Savior and the solution found in the Blood of the Lamb. That combined with yellow, blends into the orange.

/Orange = Represents the trials and tribulations that man must go through. Both from his own stupid decisions, and those that are meant to prune him in his spiritual growth.

Orange comes from a mixture of red and yellow primary colors. So let's look at Yellow but remember orange....

Yellow = The color of gold. The color of things pertaining to Divinity, The color representing a payment. The payment for our sins (RED), the debt has been paid, ONCE for ALL.

Gold was a precious metal valued for its beauty and workability. The temple was arrayed in gold, so it is no surprise that the New Jerusalem is described as being made of gold.

Yellow and gold are also the color of fire. Fire represents the presence of GOD shaking the unbeliever, and GOD's refining process for the believer.

Therefore, yellow represents the joy, the presence of GOD, and GOD's anointing,

whereas gold represents GOD's holiness, Divine nature, and his majesty.

Orange is obtained by mixing red (flesh, man sin and the solution to it being the blood of the Messiah) and yellow (trials, tribulations, refining, conforming as a Christian living inside the plan of GOD.

/So, Red – yellow, mans sin, mans need for a savior, mans trials tribulations GOD's shaking them through the orange. The time comes, the knock on the door, the offer. However, it comes. The

Salvation message is meant to be given by us. We are to share the good news.

**MAR 16:15, And He said to them, “Go into all the world and preach the gospel to all creation.”**

But man will have no excuse. No one will have an excuse. That’s why we are looking at all the ways GOD manifests HIMself to HIS Creation.

/This is why it is such a HUGE privilege to be allowed to give the Gospel to another member of the human race...whoever they are...

## **Go to JER 17**

Green = Green is the Salvation offer. The power of the Messiah offered to mankind. The salvation offer to ALL MANKIND for ALL have sinned and need a Savior.

Green is obtained by mixing yellow (trials) with blue (Word of GOD).

Therefore, the biblical meaning of the color Green is immortality of eternal resurrected life.

Green is also symbolic of Salvation and resurrection.

To the believer this is living inside the plan of GOD for their life.

Green is made by mixing Yellow (trials etc... with Blue (Word of God, living water. Most biblical scholars agree that one of the primary meanings behind green in the Bible is Salvation and the gift of eternal life with GOD.

Green is symbolic of resurrection and the greenness of Spring, praise, growth, prosperity, new beginnings, flourishing, and restoration.

The idea of fruitfulness is described in the following passage, where the GOD furnishes HIS children with everything they need for their spiritual sustenance

and the confidence that HIS children will bear much fruit:

**/JER 17:7-9, But blessed is the one who trusts in the LORD, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit.” The heart is deceitful above all things and beyond cure. Who can understand it?**

The color green also refers to the fragile human life, We grow, thrive, but just for a time then life on this earth ends. And life on earth that is dependent upon water, which represents the Word of

GOD and our relationship with Yeshua.  
Living inside of HIS plan for our life.

**JOH 15:5, “I am the vine, you are the branches; he who abides in Me and I in him, he bears much fruit, for apart from Me you can do nothing.”**

Blue = Blue is the Heavenly Color. It represents water, the color of the Word of GOD. The Mind of Christ. Bible Doctrine.

Blue is the color the human eye can see the easiest on the color spectrum. That's

why the sky is blue. It scatters more abundantly for our eyes than any other color.

This indicates, GOD's word is available and understandable through the true mentor GOD provides, GOD the HS. And with GOD the HS as our true mentor and teacher we can learn the mind of Christ.

/However, throughout time GOD has provided teachers. Earlier prophets. But teachers are not prophets they are quite simply those that accepts GOD's calling to spend their time learning the Word of GOD and teaching those that GOD assigns to them for however long GOD assigns them.

The teachers job, study and teach to the point of exhaustion. People come to listen, they leave, that is not the teachers concern. He is to provide it. GOD the HS will do the rest.

Take blue the word of GOD and add it to green you get into the indigo stage.

/Indigo = Or violet is our walk with Christ growing in HIS Grace and knowledge, it represents a new man, a new way of life, a new way of thinking, the Christian way of life.

Purple = Well that is the color of Royalty. Once a believer a member of the RFOG, you are...we are Royalty.

From man and his need for Salvation, through the trials and tribulations man accepts the offer through the word of GOD and becomes royalty.

So, the there is the real meaning of the rainbow. It is a promise to man for the Grace of GOD. The grace extended through our LORD Jesus Christ for our so great a Salvation.'

Not this, this is blasphemous and the one or ones who did it know it. The suckers who fell and fall for it are just as guilty. Just for being stupid. However I pray for them and encourage you to do the same.

So, the next time you encounter the ‘rainbow’ flag, maybe take the opportunity to explain to those flying it about the true meaning of the rainbow: Our covenant-keeping gracious and Merciful LORD....

What a great point to close with the LORD’s Supper.

**For I received from the Lord that which I also delivered to you, that the Lord Jesus, on the night when He was betrayed, took bread;  
24 and when He had given thanks, He broke it and said, “This is My body, which is for you; do this in remembrance of Me.”**

**-----**

**25 In the same way He also took the cup after supper, saying, “This cup is the new covenant in My blood; do this, as often as you drink it, in remembrance of Me.”**

**26 For as often as you eat this bread and drink the cup, you proclaim the Lord’s death until He comes.**
