## **TO THE PROBATION OFFICER:**

May this letter serve to verify that AIC. American Integrity Courses ® court ordered classes are nationally recognized by *State & Local* Family Courts as professional self-improvement and self-development programs. Our courses are developed by our in-house Nurse Practitioner who has a Master's degree in Science in Nursing with a specialization with Adults/Geriatrics.

All course information strictly adheres to guidelines provided by the American Psychological Association, the US Department of Health & Human Services, the Substance Abuse & Mental Health Services Administration and the National Coalition against Domestic Violence. The goal of our courses is to motivate change through the practice of self-awareness and the development of self-control over thoughts and actions resulting in increased self-esteem and self-efficacy.

Enrollment forms and completion documents follow the established guidelines by U.S. court systems. For the benefit of our clients, proof of enrollment, completion reports, and achievement certificates (only obtained if score is above a 70%) are emailed instantly and a copy of certificate can be obtained by the courts, PO, or client's lawyer by calling or emailing our company directly.

## **THE FORMAT OF OUR COURSES FOLLOW THESE GUIDELINES:**

**Lesson Reading Material-** The course contains visual captioned reading material. To monitor attendance and progress, a comprehensive workbook is provided for students to print, if proof of effort is required, along with a course completion certificate.

**Workbook, Self-Awareness Assessments and Activities-** Workbooks contain positive reinforcement questions, self-report assessments and self-development activities to create awareness of current behaviors and actions in an effort to build the groundwork for attitude change and self-initiated behavior modification.

**Course Activities and Role Play Exercises-** Course relevant activities and role play exercises help the student relate to the information on a personal level applying course concepts to personal experiences.

**External Resources-** Students are encouraged to email our in-house registered nurse/NP with questions or comments regarding any course material.

**Final Assignments-** All courses contain final assignment goals designed to summarize key points and encourage and motivate long term attitude change and behavior modification.

**Final Exam-** Exam questions must be answered after each section in order for the student to proceed through the course. Questions are designed to reinforce and encourage behavior change, ensure comprehension and drive home key points. Students must score above 70% to obtain a certificate of completion.

Respectfully,

*Giselle Bryant,*
