

Here are a few eBooks for Latinx or Hispanic children that celebrate their culture, heritage, and identity while inspiring them:

1. "Islandborn" by Junot Díaz

- This beautifully illustrated book follows a young girl named Lola, who embarks on a journey to rediscover the island she came from. It's a touching story about identity, culture, and the importance of remembering one's roots.

- **Key Themes**: Identity, heritage, memory, belonging.

2. "Alma and How She Got Her Name" by Juana Martinez-Neal

- This heartwarming story centers around Alma, a young girl curious about her long name. As her father tells her the story behind each part of her name, she learns about her family history and takes pride in her rich heritage.

- **Key Themes**: Family, heritage, self-discovery.

3. "Dreamers" by Yuyi Morales

- "Dreamers" is a poetic autobiographical picture book about immigration, resilience, and the power of dreams. Morales shares her experience as an immigrant and how she found her way in a new country.

- **Key Themes**: Immigration, hope, dreams, perseverance.

4. "Just Ask!: Be Different, Be Brave, Be You" by Sonia Sotomayor

- Written by Supreme Court Justice Sonia Sotomayor, this inclusive and empowering story encourages children to embrace their uniqueness. The book highlights diverse children, many with different challenges, who feel empowered by being true to themselves.

- **Key Themes**: Acceptance, diversity, courage, self-worth.

5. "Carmela Full of Wishes" by Matt de la Peña

- This touching story follows Carmela, a young girl celebrating her birthday and making wishes. Set in a Hispanic community, the book highlights the beauty of family, dreams, and the small moments of life that hold the most significance.

- **Key Themes**: Family, hope, community.

6. "My Papi Has a Motorcycle" by Isabel Quintero

- This vibrant, energetic story celebrates the bond between a young girl and her father as they ride through their neighborhood. It's an ode to family, tradition, and the love that exists in everyday moments.

- **Key Themes**: Family, culture, community.

7. "The Day of the Dead / El Día de los Muertos" by Bob Barner

- A bilingual book that introduces children to the Day of the Dead, an important cultural tradition in many Hispanic communities. The book explains the customs and significance of the celebration in an engaging and uplifting way.

- **Key Themes**: Tradition, celebration, remembrance.

8. **"Planting Stories: The Life of Librarian and Storyteller Pura Belpré"** by Anika Aldamuy Denise

- This biographical picture book tells the inspiring story of Pura Belpré, the first Puerto Rican librarian in New York City, who brought her stories and culture to life in the library for generations of children.

- **Key Themes**: Cultural pride, storytelling, legacy.

These books can inspire young Latinx or Hispanic children by celebrating their culture, encouraging pride in their identity, and empowering them to embrace their uniqueness.
