Greetings HBYC Members & Friends!

May was a very busy month for the Hernando Beach Yacht Club! The continued growth of the membership has increased attendance at the events.

The **Kentucky Derby** party was a big hit! Patti Ames did a fantastic job planning this event. The decorations your group set up looked fantastic! The horse racing competition was fun for everyone. Bill Collepriest's beef Brisket was delicious!

The **Mother's Day** dinner featuring chicken parmesan was awesome. It was prepared by our own secret chef Bill Roberts. He was assisted by Mike Marino and Jayme Hansen. There were approximately 50 attendees. After dinner the tables competed against each other in "Name That Tune" game.

The weather was beautiful for the **"By Land or Sea"** outing to "Get Hooked Grill" located in Hudson. They were gracious hosts, and the food was very enjoyable. Everyone had fun socializing.

The May 24th **Mexican Fiesta** was the first of dinner of the "Top Chef Contest" The meal was prepared by Susan & Shawn Crowder and Sheryl and Pat Coggins. They prepared Enchiladas, rice, Beans, Mexican salad flan for desert for 65 people. After dinner Caroline Hoffman out did herself singing "Over the Rainbow to honor Hank Quattro on his 102nd Birthday. Congratulations Hank! The other talented members sang karaoke to complete the evening.

We have our upcoming **"Woodstock Revival"** dinner on June 6th. Dave Sarkis will be performing live. He plays on Friday nights at Brian's. Please plan to attend and bring a friend. Dinner is being prepared by Jerry & Donna Markuson and Ralph & Judie Kennedy. I mentioned earlier about the "Top Chef Contest". This started with the Mexican Fiesta dinner. You will be rating a total of 6 member groups on the prepared dinners for quality of food and meal presentation. You will also be rating the desert in case of a tie. The group with the highest average score will be declared the "Winner" Complete details of prizes will be forth coming after the next board meeting. Please be on the lookout for my email to rate the "Mexican Fiesta Dinner"

MEMBER spotlight

Sewing the Quilt Of Valor

Sewing is creative and relaxing. I first started sewing at age six. By the time I was fourteen I had made a nine patch quilts by hand. I'm also very fond of making clothing and home dec. items. For the family and close friends I have made Christmas quilts, baby blankets, and special Angel blankets. The Angel blankets are for those suffering from specific ailments. They are prayed over then given away. Now I've completed three teacher certifications.

Coming from a patriotic family I find it very normal to make the Quilts of Valor to honor all those who have been and are still in the military.

Both of my brothers were in the military. Carlos was in the Navy and the Army. Anthony was Navy, unfortunately, he passed away from agent orange. They were Vietnam Era veterans.

Before Anthony passed I bought a cake on which I placed two American flags, and we played Al Greenwood's Proud to be an American. This was followed with a speech saying how proud we were of them and honored by their service and sacrifice. I felt this needed to be done as so many of the Vietnam Era Veterans were not welcomed home properly. Some were spat on, and other horrible things were done.

When I see my bother again the message is the same I love you, proud of you and honor your service.

One thing for sure is that FREEDOM is not free someone paid the price so we could live in the land of the free. GOD BLESS AMERICAN ALWAYS.
