

## THE DEEP STATE WANTS IT'S MIGOP BACK

“... We are likely to do better by building our ‘house of world order’ from the bottom up rather than the top down... an end run around national sovereignty eroding it piece by piece, is likely to get us world order faster than the old-fashioned assault.” —Richard N Gardner, Deputy Assistant Secretary of State under Lyndon Johnson The election of Kristina Karamo as MIGOP Chairwoman interrupted decades of Michigan GOP corruption that maintained the MIGOP as low efficiency opposition to high efficiency Democrat operations along with their media co-conspirators. The fruits of this corruption are plainly evident in the fact that despite the GOP having the majority in the legislature in Michigan during the 2021-23 cycle, it did nothing to remedy systemic election corruption. If the Ron Wieser (Atlantic Council board member) led MIGOP of the previous cycle had wanted to push for remedy, it could have fixed the problem. Yet it did nothing but tell you to “move on” because “we must elect Republicans in 2022.” Make no mistake, systemic election corruption remains the top tier threat to state and nation endangering the lives of our children and grandchildren. Now Kristina Karamo is standing in the gap for Michigan and the deep state wants it's MIGOP back!

On Saturday Jan 6th, 2024, a sloppy coup attempt resembling more of a Halloween party than anything was made against the Karamo MIGOP by a band of rogue actors within the State Committee via “special meeting.” The requirements for state committee members to call a special meeting are as follows per MIGOP bylaw:

*“Special meetings of the Committee may be called by the Chairman when the business of the Committee requires the same, and the Chairman shall call a special meeting of the Committee on written request of one-third of the members of the Committee, jointly or severally, within 15 days after such written request has been filed with the Chairman. Upon failure to do so, any such member can give notice five (5) days before such meeting. Notices of special meetings shall state the purpose of such meetings.”*

On December 2, 2023, 39 of the 107 state committee members (36%) submitted a petition for a special meeting. Within 15 days, Chairwoman Karamo called a “special meeting” for January 13th, 2024. The insurrection organizers claimed that because Chairwoman Karamo did not include their bylaw violating demands to the agenda for January 13th, that they could legally call their own meeting. The demands they made were twofold:

- Consideration of the removal of officers
- Amend bylaws

In order for a “special meeting” to be called for the consideration of officer(s) removal, 54 signatures must be submitted in request of such a vote, as per party bylaw. No such petition was submitted. Furthermore, in order for a “special meeting” to be called to amend bylaws, The MIGOP Policy Chair must receive proposed “language” for such amendments and forward it to all state committee members 30 days prior to the “special meeting.” No such notice was given to MIGOP policy chair Heath Wall. Therefore Chairwoman Karamo would have been in violation of party bylaw had she included the insurrectionist’s demands to the agenda for January 13th. Yet a group of 40 some state committee members decided to illegally hold their own “special meeting” of the state committee where they attempted to remove Chairwoman Karamo and some of her staff. The insurrectionist meeting was chaired by Malinda Pego who remains a primary menacing agent in the sabotage effort of Kristina Karamo. Pego is now serving as “temporary chair” under this fiction and has been very busy sending emails and other communications to Republicans in Michigan as if this were a lawful action. She’s issued cease and desist letters, demanded bank information, went as far as to call the event center for the Jan 13th meeting to attempt to cancel it and sent the following in an email:

*“I have officially cancelled the January 13th meeting, as it is not an official meeting, and any such meeting will not be able to conduct official business. Though it is their right to gather, we hope they pray for this new administration and leaders to win back our state and country in 2024! We certainly pray that God places it on their hearts to get to work with this new leadership to help us save our country and our state!”*

—Malinda Pego By acting in this way— usurping the party brand and portending to officially represent it— Pego and her co-conspirators are in clear violation of the federal Can-Spam act for which “Each separate email violation of the law is subject penalties of up to \$50,120, and more than one person may be held responsible for violations” according to the law.

It is not our intention to single out Malinda Pego for these deceptions and lies as there are many prominent Rino activists amongst the attempted coup that are well documented at Unshackle the Mitten (<https://t.me/s/unshacklethemitten>). Moreover, what must be stated here that we are witnessing the same pathological usurpation of representation that has been going on in the MIGOP for decades. This type of lawlessness is part and parcel in maintaining the GOP as low efficiency opposition to highly efficient democrat operations in co-conspirator relationship to media accomplices. This fact is clearly evidenced as these insurrectionists in the MIGOP have disgracefully been using all kinds of eager liberal media sites to push their fictional narratives to sabotage the will of “We The People.” This is the same historical pattern in Michigan that has helped the “uniparty” maintain a stranglehold on power. Kristina Karamo being elected party chair is a direct threat to these individuals and the entire power structure. This is why we have seen a demonization campaign of a

godly patriot on a scale never seen before in Michigan. And just like Jan 6th, 2021— a fake insurrection was held to subvert the will of the people by those whose only path to success is through manipulation and deception. Saturday January 13th is the date of the “special meeting” of the Michigan GOP state committee. It’s going to be a good one...

Call your state committee and district executive committees and let them know you stand with Kristina!
