Air Dusters

MG Chemicals air dusters deliver high velocity air to remove microscopic dust, lint, and foreign particles from electronics and electrical equipment safely and effectively.

Our air duster is available either as an aerosol spray or electronic device and is suitable for use in labs, work benches, maintenance and service shops, off-site servicing, residential homes, offices, and industry.

Features and Benefits
- Ideal for removing lint, dust, and other debris
- Prevents malfunctions and lengthens operating life
- Compatible with electrical equipment and electronic components

Applications
- Electrical and electronics boards and systems
- Ventilation and heat sink systems
- Audio visual equipment
- Lab equipment
- Equipment cleaning

High Cleaning Power

SUPER DUSTER™
- **402A** - Non-flammable duster with pure HFC 134a
- **402B** - General purpose with pure 1,1-difluorethane 152a
- **402C** - Non-flammable duster with 100% HFO-1234ze
- **402E** - Portable air blower with multiple settings, digital display and long battery life

Electronic SUPER DUSTER™
- **402E** - Portable air blower with multiple settings, digital display and long battery life
