Tours – See Details in 2025 CNM Information Package, Page 4

Please Note: Most of the historic sites in Springfield are small and space on these tours is limited. Buses are being used on the historic homes tours because parking at these sites is extremely limited. Space on the tours will be assigned first come, first served, so please sign up early. We will make every effort to accommodate everyone and may contact you to determine if you are willing to switch to a different tour time. The price for the bus tour includes all site admissions/donations, bus transportation, and tip. Bus tours are subject to cancellation if not enough participants sign up.

Vehicle Registration Judging Categories: Check the Division in Which You Want to Be Registered *

* Definitions and qualifications for each division are explained in the Judging Manual available on the National Club website, www.earlyfordv8.org, under National Club Information/Forms or in the V-8 Club Roster for 2015 and prior. Please see reverse side or Page 2 of this form for additional guidance on the proper Division for your vehicle.

Concourse: Vehicle will be Point Judged. Awarded the Dearborn Award with a minimum of 950 points.

Dearborn: Must have a Dearborn Award – Point Judged - Awarded the Dearborn Medallion with a minimum of 925 points.

Dearborn Emeritus: Vehicle is not Point Judged. This category is open to Dearborn Award vehicles that have received at least a Dearborn Plaque plus 2 medallions. Vehicles will be visually inspected to become eligible for a Dearborn Emeritus Medallion.

Rouge Preservation: Vehicle will be inspected for originality of various areas.

Check area(s) that you believe to be original: INTERIOR EXTERIOR RUNNING GEAR

Has this vehicle previously won a Rouge plaque? Yes No

Touring: All eligible club vehicles entered which are not point-judged or participating in the Rouge Division Touring and

Touring A: Touring A vehicles will be subject to under-hood inspection for allowable equipment

Display: Vehicles of Ford manufacture from 1932-1953 that do not qualify for any of the other concourse or touring classifications

Attention Vehicle Owners: In order to better understand the judging process, **your attendance is mandatory at the Judges'/Owners' Meeting on Tuesday, June 24th at 4:00 pm in Plaza I on the ground floor. Thank you.**

Insurance Requirement: Acknowledgement of Responsibility and Maintenance of Insurance: I am registered to enter my Ford Manufactured Vehicle at the Central National Meet to be held June 22-26, 2025, in Springfield, IL. I acknowledge that I must maintain personal automobile liability and property damage insurance in order to register for, and participate in, the Meet. I verify by my signature below that I will maintain an adequate amount of such insurance.

Insurance Company Name

Policy Number

Owner's Signature

Date

Concourse Division - Point Judged – Compared to Factory Condition

All eligible club vehicles entered which are to be point judged and have not previously won the Dearborn Award by the current owner. Most vehicles in this division are restored, but original vehicles may be entered if not entered in the Rouge Division. All vehicles with 950 points or more (out of 1,000) will receive the Dearborn Award. Vehicles which receive the Dearborn Award will graduate to the Dearborn Division.

Dearborn Division - Point Judged – Compared to Factory Condition

All eligible club vehicles entered which are to be point-judged and have previously won the Dearborn Award by the current owner. Vehicles awarded 925 points or more will receive a Dearborn Medallion and Dearborn License Tab. Vehicles which have won the Dearborn License tab may be subject to a “walk around” at a subsequent meet in lieu of being point judged.

Dearborn Emeritus Division

All eligible club vehicles entered which are not to be point-judged and have previously won a V-8 Dearborn Medallion Award, and have had a minimum of one walk-around (in other words, three Dearborn awards) by the current owner. The vehicle owner may select this class or the National Chief Judge (or his/her designee) may assign a vehicle to this class. Vehicles in this division are eligible for the Dearborn Emeritus medallion.

Rouge Division - Judged for Originality

All eligible club vehicles unrestored, original as manufactured which meet the requirements set forth in the judging rules for the Rouge Division and are not participating in the Dearborn, Concourse, or Touring Divisions. Vehicles will be considered for certification in one or more of three areas: Interior, Exterior, and Running Gear (which includes the engine). Originality, as manufactured, is the primary criteria for certification. A minimum of 90% of the area being considered must be original from the manufacture of the vehicle to be certified for the Rouge Award or subsequent Rouge Medallion Award.

Touring Division and Touring Division-A (Accessories) – Voted on by meet participants

All eligible club vehicles entered which are not point-judged or participating in the Rouge Division. Vehicles are eligible for 1st, 2nd, and 3rd place trophies based on voting by all registered meet participants. Touring vehicles are basically stock while Touring A vehicles are allowed additional modifications. At the operational check, all Touring and Touring A Division vehicles will be checked under the hood for allowed equipment.

	Touring Division	Touring Division - A (Accessories)
A	Stock body as it came from the factory with full fenders, hoods, sides, etc., and a pre-1954 paint scheme: No flames, scallops, etc. Dash and instruments will be stock.	Stock body as it came from the factory with full fenders, hoods, sides, etc., and a pre-1954 paint scheme: No flames, scallops, etc.
B	All V-8 Ford and Mercury vehicles must have flathead V-8 blocks with Ford cylinder head(s) and intake manifold. 1952 and 1953 Lincolns and six-cylinder Fords may have Overhead Valve engines as originally equipped. The suspension and drive train shall be Ford Motor Company of the type originally installed in the vehicle. All 1932 through 1948 vehicles must have transverse springs, front and rear; solid front axles; with a torque tube to the rear axle. Dropped front axles are not acceptable.
