THE HERMOSA BEACH SISTER CITY PROGRAM: 40 YEARS OF GOODWILL AND ENDURING FRIENDSHIP

Madam Speaker, to many, Hermosa Beach is a beautiful coastal community blessed by perfect weather, endless sun and surf. But few would know that it is home to one of the oldest and strongest international exchange programs in the United States.

It all started in 1967, when the Hermosa Beach City Council established a “Sister City” program with the citizens of Loreto, Mexico. Back then, Loreto was a small community on the pristine Baja coast of the Sea of Cortez – famous for sport fishing, whales, cave paintings and colonial missions. Its Spanish mission, founded in 1697, was the first in all of the California's.

Over the past 40 years, the Hermosa Beach Sister City Association (HBSCA) has provided funding and other support for educational and humanitarian programs for Loreto. Among the most notable is the middle school student exchange program. Every spring, Hermosa Beach 7th and 8th grade students travel to Loreto – and vice versa – where they gain language skills, opportunities to learn about a different

culture from host families and field trips, and lifetime memories.

The HBSCA also assists the people of Loreto with critical medical care. As recently as 1998, Loreto had no emergency medical treatment facilities. Through a partnership between physicians in Loreto and Hermosa Beach, the HBSCA has been able to provide badly needed medical training and equipment, including paramedic gear and even an ambulance.

Since its inception, Sister City programs have benefited both cities and their citizens. Loreto has become a home away from home for Hermosans, who have in turn helped improve the quality of life for Loretans. One of our nation's oldest sister city programs shines as a stellar example of the impact global exchange can have on our world.

I congratulate the citizens of Hermosa Beach and Loreto on achieving this impressive milestone.
