Greetings HBYC Members & Friends!

The Heroes Boat Parade, Auction and Dinner were the focus in July. The July 1st boat parade had 16 decorated boats. Congrats to Jason Milcendeau for winning the "Most Patriotic Boat" prize. The June 30th dinner was delicious with Bill Colleypriest's famous beef brisket and Susan Myers' sides along with a variety of desserts. Want to know who the other boat parade winners were? Greet the other winners at our July 26th dinner.

The tribute to all veterans at the dinner made for a touching and memorable evening. Paul Kimbell presented each veteran with a medallion and thanked them for their service. The climax of the evening was the presentation of the quilt of Valor. Stella Kelly did an amazing job producing and presenting the quilt of valor. Bill Roberts was the very deserving recipient of the quilt of valor.

Bill has 27 years' service with 14 moves, six states and three middle east countries, as well as flying Combat missions in Afghanistan and provided mission support for multi-national combatants serving in the Middle East (Iraq).

The auction and events raised more money for the Florida Veterans Foundation than last year. We are still waiting for the final few expenses to calculate the exact total. I want to thank everyone that helped make this event a success. The HBYC Board recently approved Adam and Christine and AJ Considine's application for membership. Adam is a veteran, and they attended the Heroes dinner. Please introduce yourselves and give them a warm welcome the next time you see them. The HBYC board has also approved expanding our liquor license to include the dock area and the first floor of the building. I will be working on getting us the proper documents to get formal approval to make this happen. We will be changing door and lock codes on or about July 26th.

Gay Colleypriest's nomination for Vice Commodore and Pat Coggins nomination for vacant Board member position were unanimously approved by the HBYC Board.

The board is also considering offering yoga and or exercise classes at the club for the benefit and enjoyment of the entire community. Your input and support are the key elements to make this happen. Christine Considine has offered to be the instructor. She is certified in a variety of yoga classes: chair, restorative, yin, power, kids, etc. and am a certified paddle guide and instructor for Paddleboard Lessons and Paddleboard Yoga. Please let us know if you would consider attending classes and what type of class would most interest you.

On July 26th, the dinner will have the presentation of trophies for the winners of the Most Patriotic, Best Military and Most Creative themes in the boat parade. After dinner we will play a trivia game with the topics of US Military and American History. The tables will compete against each other. You're missing out on all the fun if you don't show up! Hope to see you.

Your Commodore,

Ralph Kennedy

Heroes Dinner & Boat Parade—6/30 & 7/1, 2023

MEMBER spotlight

This is my friend Hank (and his lovely wife Carol) and he's 102 years old. Actually, he'll be 103 later this year. He's doing pretty well and to say I'm crazy about this man is an understatement.

Consider this:

- He was born in 1921 and was a kid during the roaring twenties.
- He lived through the Great Depression
- He flew Catalina Patrol aircraft off the coast of California during World War II, looking for Japanese subs
- He was already in his 30's during the 50's
- He was too old to fight in Vietnam, but he wanted to
- He ran an aerospace company and lived a full life raised a family and was married to his first wife for over 60 years. He's been married to his current wife Carol for almost 6 years. Carol is an accomplished artist who says Hank is her masterpiece. Wow, we should see each other like this.

My Friends Hank & Carol

In my opinion, this little old, very gentle and kind man is a what men like me call an "original badass". If I'm lucky, I'll be half the man he is and if I live to my eighties, I'll consider myself lucky.

Hank is one of those military vets who, if we enjoy the society we live in and the affluence we have, it was men like that who fought the Japanese and Germans when they, for a while, went insane. Our country has a dwindling supply of men and women who fought to ensure we can complain about traffic as we drive our new cars from well-stocked stores to our comfortable homes, no matter how small or large. We have our problems and not everyone is doing great, but the USA remains the country everyone everywhere else wishes they could live. We forged our character in 1776 and that "can-do" spirit and love of freedom is renewed with every generation.

In a few weeks, we'll be celebrating the fourth of July. Some of us will have picnics, some of us will look for a parade. If you love parades, come and enjoy a parade of boats at Hernando Beach. We'll have food and beverage service available at the club.

Come and watch the parade, listen to patriotic music and even if only for a few hours, feel proud to be an **AMERICAN**. If you're lucky, you'll have the opportunity to meet Hank and maybe hear one of his stories.

God Bless the USA!
Ya Bruddah Hank!

CLUB RULES:
Cash tips you leave on the tables are for our servers. Any tips you leave on your credit card when you pay for your dinner & drinks is for the bartender. Thank you for your generosity.
