I'm not saying let's go kill all the stupid people....I'm just saying let's remove all the warning labels and let the problem sort itself out.

My Dogs

This morning I went to sign my dogs up for welfare. At first the lady said, "Dogs are not eligible to draw welfare." So I explained to her that my dogs are mixed in color, unemployed, lazy, can't speak English and have no frigging clue who their Daddy's are. They expect me to feed them, provide them with housing and medical care. So she looked in her policy book to see what it takes to qualify. My dogs get their first checks Friday.

Damn, this is a great country!!!

This puts a whole new spin to the phrase "family tree"!

Dad realizes that if the 40 pounds of tinsel catches fire on that tree, he has a better chance of survival without the flammable matching pj's.

I don't know who's more horrified, Santa or the "Death Becomes Me" kids.

Speechless (I just hope that they have money tucked away somewhere in those fig leaves for counseling for the kids).

I can see why they won't let you have children of your own.

WTF!

Seriously, that was the shirt you decided to wear for the family photo with Santa?

It probably seemed like a better idea in their heads.

Either Grandma is getting her sexy on, or Mom is looking for her youth - stop looking.

OMG - it's like Christmas "camo"!

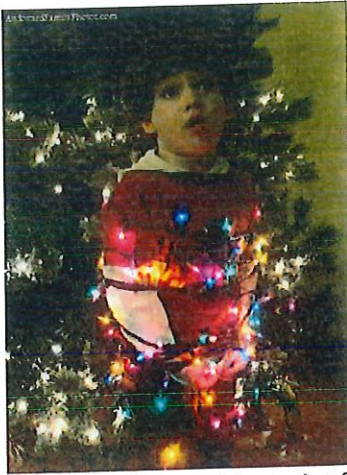

What's with the Clown??? And the eyebrows?????????

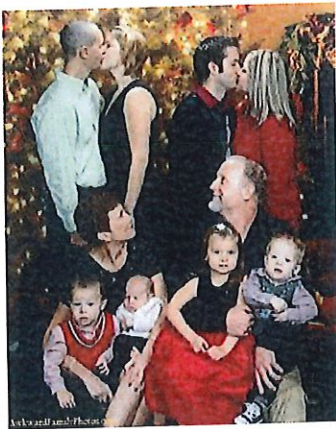

Lil' Jo may be seeing the Baby Jesus sooner than he thinks.

What was the motivation behind this one - Merry Christmas from Mom, the kids and Dad the porn star?

Yeah, that'll keep him quiet for a while.

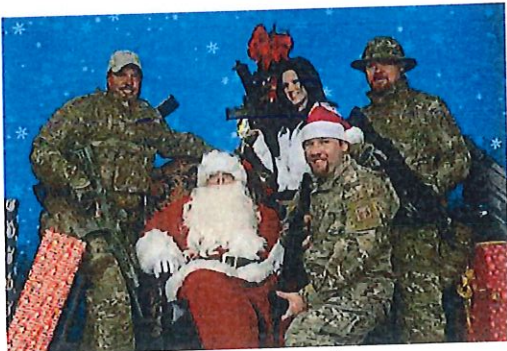

Get a room. On second thought, our hands are full, never mind.

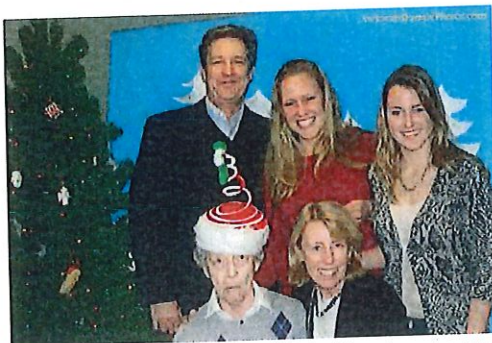

Holy Christmas Batman, Batgirl, Batdog and Robin.

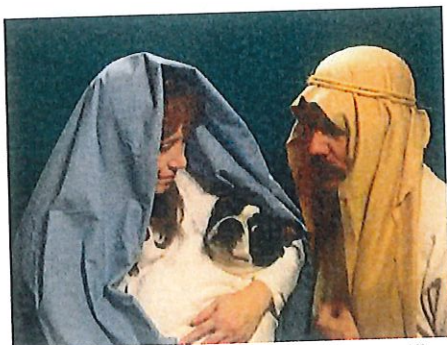

The annual Christmas picture of the "I'm nevergetting laid" club.

Is Santa being held hostage?

Why is it that people think it's okay to make a complete a##* of Grandma.

"Oh Joseph, he looks just like you!"

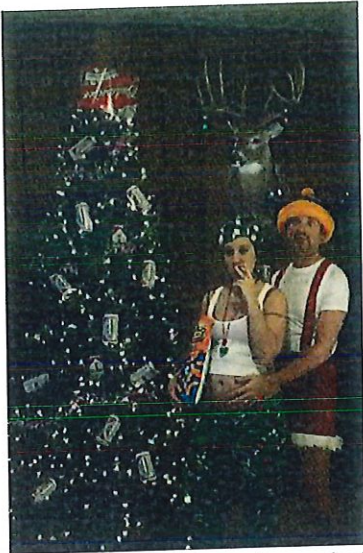

These guys are trying way too hard to be bad. It's painful.

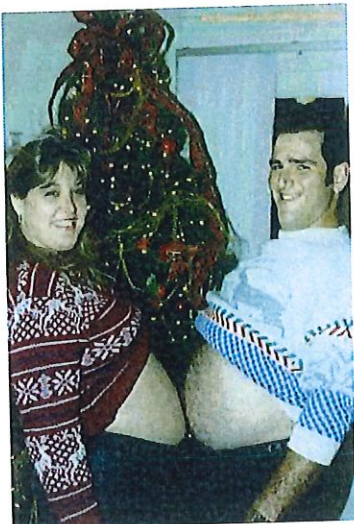

Yikes!

Merry Christmas from the Dork family, thank you, thank you very much.

This takes Christmas to a whole new level.

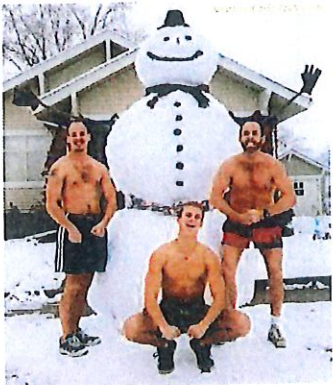

Okay..

They have entirely too much time on their hands to dream this one up.

I don't know what's more horrifying - the family pj's or the hideous furry couch.

Get your snowman on!

To you, and your kin, we wish you peace and joy!

The first signs of little Jimmy's psychotic break.

This is wrong on so many levels.

Hey kid, is that your balloon, or are you happy to see me?
