

March 12, 2022 GATHERING

March Gathering was small due to the fact that 8 of our members were on a trip to Yellowstone. 6 members attended and had a good time visiting since there was not a lot of business going on.

Vicki, Fritz, Jack, Char, and Ron visit over breakfast. Jim was taking the picture.

Jim won the ball drawing but drew the yellow ball so he got his \$1 back.

Lucky Jack won the 50/50 drawing .

Here are the members on their trip to Yellowstone.

Tetons at sunrise, sooo beautiful!

When We Meet We Eat!!!

We always enjoy getting together sharing food and fellowship.

We started out the month with 13 enjoying breakfast at Granny's in Stillwater.

We had breakfast at the Tower Café in Okarche. WOW!, the cinnamon rolls were great. Several of us took some home.

12 of us enjoyed a good evening meal at Boomerang in Perry.

We rode to Stroud to eat at the Rock Café, however it was a Monday and they were closed, so we went to 5 Star Bar B Que.

We ended the month with dinner at Braum's in Guthrie. Only 5 were there. David and Cindi were on a Zoom meeting being interviewed for International Couple of the Year and Steve and Carolyn were on the same Zoom. We had a good time anyway.

Celebrating Chapter K's Anniversary

We helped celebrate Chapter K's anniversary in Ponca City.

We met at Bill's Corner to start our ride to Ponca City. WOW, it was SOOO nice to see Char and Ron back in the saddle again. This was the first time Char had ridden in about 2 1/2 years.

Rex had a great time celebrating in his Birthday Hat.

Cindy won the 50/50 Drawing!

Chapter X showing birthday fun! We all had a great time being together & a great ride in the beautiful weather.
