TODAY'S PROGRAM

Sean Parker, Director of Draughon (Draw-n) Miller Central Texas Regional Airport gave us the skinny on current and future plans at Temple's airport. There are approximately 55 jobs supporting medical flights for BSW and the local VA hospital, as well as fulfilling DOD contract flights. Their motto is "Exceptional service without exception." There are plans to implement remote controlled electric flight transportation from the airport to nearby cities within the next 10 years. The 3rd annual airshow will take place at Draughon Miller Airport May 16-18 next year.

Prayers for Dr. Alan Xenakis who is home from the hospital, and recovering.

Congratulations to Annie McCall and Nathan Harrell who earned their real Lions badges!

Next week is Temple HS Football, show up in Temple Wildcat colors!

Matthew 18:20

For where two or three gather in my name, there am I with them.
