Assyrian Foundation of America Humanitarian and Infrastructure Grant Application

Mission:

The Assyrian Foundation of America is dedicated to supporting Assyrians in need across the globe by funding reputable Assyrian humanitarian organizations. Given the struggles and hardships faced by the Assyrian people throughout history, humanitarian assistance is a core focus of our sponsorship efforts.

Who may apply:

Any individual or organization whose proposed project is compatible with the mission of the Assyrian Foundation of America, and the humanitarian grant program may apply.

Please submit completed application to Welfare@AssyrianFoundation.org

The types of projects we fund include:

Medical and surgical care - Medical supplies for hospitals or clinics - Assistance to Assyrians in conflict zones - Relief efforts for Assyrian refugees - Infrastructure improvements in Atra - Establishment of businesses - Supporting schools and community centers - Vocational training - Sports facilities and teams

Please Note: Grants vary according to need. In 2025, the average grant awarded was \$3,000.

Grant Schedule:

We accept applications on a rolling basis, which allows us to respond to emerging humanitarian needs.

Requests are reviewed upon submission, and we encourage applicants to submit proposals as soon as a need is identified.

Please note that requests for assistance may be reduced, limited, or denied once all funding for the year is allocated.
