What happened at the Meeting

Tammy Jo McCleney brought us information on Guns and Glitz, concealed handguns and firearms.

She created Guns and Glitz, and calls it a "girls' night out with a twist." It's a new shooting league in town just for women.

"Everybody can learn to protect themselves. You can do it in a dress and you can do it in jeans," she said.

McCleney has been in law enforcement for the past 24 years. She started teaching a small group of women how to shoot four years ago in Lee County — where Guns and Glitz began. For more information go to Guns and Glitz on Facebook.

Scholarship Money
Temple Founder Lions Club, Parks & Charities President Mike Hamby presents a check for \$2500 to TEF representative, Lion Shannon Gowan.

Did You Know? - Memorial Day

Did you know that Memorial Day was originally known as Decoration Day? It was meant to honor the Union and the Confederate soldiers who died during the American Civil War. By the 1900s it had become a day to celebrate all American soldiers who died while serving in the military. It wasn't until 1967 that it was legally named Memorial Day.
