Clearing Sale Terms and Conditions

- A 15% buyer's premium applies to the knockdown price of all goods sold here today.
- Minimum Bid is $20
- All goods sold today are sold as scrap, unless otherwise stated.
- Photo ID is required and number system applies. You MUST have a bidding number in order to bid on items. If you are the winning bidder and you do not have a bidding number, then your bid will be refused and the bid referred to the last highest bidder.
- Bidders are not permitted to bid by using another registered bidders number – you MUST be a registered bidder to bid
- All goods MUST be paid for in cash or EFTPOS (when available) and removed from the property by 4.00 pm, unless other arrangements made with the Vendor. No interbank transfer facilities are available.
- It is the buyer's responsibility to check all goods prior to purchase. No responsibility is expressed or implied by the Vendor or the Auctioneer as to the condition of goods sold here today.
- If goods are left on the property after 4.00 pm on the day of the sale, then they are left at the buyers risk and no responsibility will be taken by the Vendor or the Auctioneer for the safety of the goods.
- Once the goods are knocked down, they are your responsibility. No responsibility will be taken by the Vendor or the Auctioneer for the safety of the goods once they have been knocked down.
- After purchasing an item, you MUST wait for 10 minutes before paying and leaving the Clearing Sale

Auction Rules

1. On the fall of the hammer all goods become the responsibility of the purchaser and must be paid for - no exceptions
2. No goods are to be removed from the sale site unless payment has been made.
3. The highest bidder shall be the purchaser.
4. Should any dispute arise as to the bid, then the relevant lot or lots, at the option of the auctioneer, may be put up again and resold.
5. Members of the public attend this auction at their own risk. No responsibility is accepted for any accident.
6. The auctioneers are merely the agents for the Vendor in respect to the sale of goods, the whole of the lots having been made available for inspection prior to the sale and no allowance or refunds will be made or shall any buyers be entitled to, in respect of any lot on the grounds that it is not correctly described in the advertising or other information supplied. The said lots are to be taken with all faults (if any) and will be at the buyers risk on the fall of the hammer.
7. Auction staff are permitted to personally bid on only items they wish to purchase

PLANT/EQUIPMENT AND AUCTION GOODS SAFETY ADVICE TO ALL PURCHASERS

The occupational health and safety (plant) regulations 1995 and equipment (public safety) general regulations 1995 requires the following information to be supplied to buyers if it is applicable.

All motorized, electrical or mechanical plant and equipment must be tested, inspected or dismantled sufficiently to consider any hazards which may be unknown. The occupational health and safety act and regulations and codes of practice require the buyers, employer and all operators of the items purchased to exercise duty of care in the supply or the use and all safe operation of plant and equipment, general goods and all other perishable items. Accordingly, before these items are used domestically or commercially, supplied or consumed, or used at any site once removed from the auction site, they must be fully operational, safe and/or fit for consumption. The purchases warrant that it is their responsibility to ensure the above.

The Vendor warrants that the plant and equipment is offered free of any financial encumbrance. There are no maintenance records for any plant or equipment sold today.
Any Owner's manuals for plant and equipment, if held, will be available to the purchaser
