**This Weeks Program:**  
**Hunter Sims -**  
**UMHB**

This week we had the pleasure of hearing from Hunter Sims, the current VP of UMHB Athletics. Dr. Sims brings a wealth of experience in collegiate athletics. He spoke about all of the new and great changes they are making to the department. In the past five years they have developed programs for women's beach volleyball, Acrobatics and tumbling. They plan on adding a women's flag football program to that within the next year! He mentioned that Cru Football is currently ranked #8 this year. They are also just two months away from the grand opening of their new Golf Course. Dr. Sims believes that people don't care how much you know until they know how much you care.

## **Fun Facts & Did you Knows?**
