### **This Weeks Program: Dr. Bobby Ott with Temple ISD**

This week we had the pleasure of hearing from Temple's finest, Dr. Bobby Ott. Dr. Ott has been the Superintendent of Temple ISD since 2012. He just recently celebrated with the graduating class of 2025 as this was the first class he has been with since their start in Kindergarten! Dr. Ott spoke about the proposal for the upcoming 2025 bond. Prop A would focus on Safety for the schools and Prop B focuses on having MORE seats for the kiddos at school to accommodate the massive growth in the next few years. He mentioned that TISD is expecting around 500 new kids in the next four years. Dr. Ott gave a HUGE shoutout to his Board of Trustees on receiving the 2025 Region 12 School Board of the Year.

## **Fun Facts & Did you Knows?**

**Quote from a PP:** "My favorite thing was really the weekly meetings. It was like hosting a roast every Wednesday. You come ready to dish it out, but you know you are going to take a few shots at the same time." PP Jeff "Thiggy" Thigpen....**Most accurate way to describe the weekly meetings to anybody!**
