In Loving Memory of Norman David Freeman

Norman David Freeman, age 75, of Rainbow City, Alabama, passed away peacefully on October 31, 2026.

Born on April 20, 1951, David lived a life filled with adventure, exploration, and a love for the outdoors. Throughout his life, he found joy in camping, hiking, photography, bicycling, and dancing. Whether he was on a trail, behind a camera, or enjoying time with friends and family, David embraced life's simple pleasures and created memories that will live on in the hearts of those who knew him.

During his final days, he was blessed with the love and devotion of his brother, Tommy, who visited him almost daily, always bringing two of David's favorite treats—chocolate and a Diet Coke. Those small acts of kindness reflected the special bond they shared.

David is survived by his children, David and Trina, and their families; his brother, Tommy Freeman; and a host of nieces and nephews, great-nieces and great-nephews who will forever cherish his memory.

He was preceded in death by his parents, Norman and Bernice Freeman, and his brother, Johnny Freeman.

Though David's journey on earth has come to an end, his adventurous spirit, his love for the outdoors, and the memories he created with those he loved will continue to live on in the hearts of all who knew him.

We hope heaven has plenty of trails to hike, a camera to capture the views, and a cold Diet Coke waiting at the end
