

Cleburne County Shooting Club, Inc

Minutes Board of Directors Meeting:

September 9, 2025

The meeting was called to order at 10:03 am by Scott Swain.

Members present: Scott Swain, Lance Clark, Karen Swain, John Hale, John Klanke, Greg Hill, Muncy Zuber, and Julie Murray. Member Ron Salyer was also present.

E-minutes:

Julie previously published e-minutes for the period from 30 April to 9 September 2025.

A motion to approve the e-minutes was made. The motion was seconded and **Approved**.

Old Printer:

Scott reported that there is an old, non-functioning printer purchased around 2012 in the club house. He requested authority to dispose of the printer. His request was approved.

Amendments of Bylaws:

There was a discussion of the proposed Bylaw changes for Treasurer duties in Article VII.

A motion was made to approve the amendments proposed. The motion was seconded and **Approved**.

A proposed amendment clarifying the definition of a law enforcement officer for purposes of Article IV, Section C, was discussed.

A motion was made to approve the amendment proposed. The motion was seconded and **Approved**.

Karen will send an email to the club members giving the required notice of proposed amendments to the Bylaws. A copy of the email to be sent to the club members will be attached to the minutes.

Steel Targets Safety Issue:

In April, a member reported a potential safety issue involving possible ricochet from the steel side of the Pistol Range to rifle shooters at the 100 yard line. A sign was placed indicating "No Steel Beyond This Point" located at the 25 yard line near the berm.

Recently, one of the directors arrived at the range and found steel targets which had been moved well past the end of the berm and the sign. The targets were moved back to a permitted location.

Discussion was had about how to address the situation: additional signage, placing a physical barrier across at the 25 yard line, etc. There is a telephone pole available which will be dragged and put in place. It will be painted and "No Targets Beyond This Point" will be stenciled on it.

CCSC Pistol Rules Change Proposed:

A Rule change relating to the above item was discussed.

The following will be added to Paragraph 4:

“Do not place steel targets further out than 25 yards from the bench.”

A motion was made to approve the above addition to paragraph 4. The motion was seconded and **approved**.

“Rules are for the Personal Safety of all Shooters” will be added to the website.

Clubhouse:

The club house porch rails are ready for stain/paint. Our options are to ask for a volunteer or get a contractor to bid for the job.

Lance recommended use of a sealing stain.

Maintenance and Repairs:

The barn roof has been repaired.

Despite previous efforts to seal it, water still comes in around the back door of the club house during a heavy rain. Scott will get a quote for a rigid awning at the back door over the pad.

Club Firearms:

Two shotguns (a 12 ga. and a 20 ga.) along with a .22 cal rifle are at Heber Gun for sale.

The Trap Team is interested in the three youth shotguns. Scott is waiting to hear from Luke Bishop, coach, about this.

Annual Meeting:

It was agreed that the club will provide BBQ and ask for side dishes and desserts from club members.

New Fixtures Needed:

A table is needed on the last trap range.

Twelve target stand bases are needed for the pistol range.

A new bench is needed for the new pavilion on the pistol range.

A motion was made to approve an expenditure of up to \$500 for each project. The motion was seconded and **Approved**.

Shotgun Director:

The trap shooters have been talking about establishing League Shooting. The directors agreed that would be a good activity to encourage.

Pistol Director:

Pistol Shooters have been talking about ‘Precision’ Bullseye shoots. The directors agreed that would be a good activity to encourage.

Adjournment:

Motion to adjourn was made, seconded and approved. The meeting adjourned at 11:20 am.

Respectfully submitted,
Julie Murray
