Coach Stewart , AD & Head Football Coach for the Temple Wildcats, spoke to our Lions Club this week. Continuing a 75 year tradition, the Lions hosted the entire Varsity Football team and Coach's for lunch.

Coach Stewart has 19 years of total coaching experience, including 17 years in high school and

2 as a graduate assistant at Sam Houston State University after playing football for the Bearkats from 1993-1996. He has a bachelors of science from Sam Houston.

Coach Stewart was named the Defensive Coordinator at Temple in January of 2014. His defense helped spark a 25-4 record over the last two season, including a State championship game appearance in 2014.
