Section 1:

SYLACAUGA UTILITIES BOARD
SEWER RATE SCHEDULES

SUB Sewer Rate Schedule No. 1 **Effective November 1, 2026**
Replaces SUB Resolution No. 01-02

The Sylacauga Utilities Board (the "**SUB**") shall charge and collect for waste water and sewage collection and treatment services on the basis of this Sewer Rate Schedule No. 1. The SUB Sewer Use Regulations are incorporated by reference as a part of this rate schedule.

Availability: This rate schedule is available throughout the entire territory served by the SUB Waste Water and Sewage Collection and Treatment System (the "**SUB System**") and is applicable to all of the Customer's waste water and sewage collection and treatment requirements where the SUB can meter the Customer's potable water purchases from the SUB or the quantities of waste water and sewage the Customer delivers to the SUB collection system for treatment.

Monthly Rate:

Basic Monthly Charge:	
Residential Service	$10.00 per Month
Commercial	$14.00 per Month
Large Commercial	$30.00 per Month
Industrial Service	$388.00 per Month
Flow Rate	$0.5500 per 100 gallons

For residential customers purchasing metered water service from the SUB, the metered water service used for sewer service billing will be limited to 7,500 gallons during the billing months of June through October.

The amount computed at the Monthly Rate shall be subject to any taxes, assessments or surcharges imposed by any governmental authority.

Minimum Charge: The monthly minimum charge shall be the Basic Monthly Charge plus all applicable rate adjustments.

Surcharges: In the event that the Board determines that a commercial or industrial customer is contributing to the Board's wastewater facilities (i) wastes having a Biochemical Oxygen Demand ("BOD") in excess of two hundred fifty (250) mg/l on a twenty-four (24) hour composite basis or for any single sample having a BOD in excess of five hundred (500) mg/l, or (ii) wastes having a Chemical Oxygen Demand ("COD") content in excess of five hundred (500) mg/l on a twenty-four (24) hour composite basis or for any single sample having a COD content greater than One thousand (1,000) mg/l, the Board, in its discretion, may impose upon the customer, to defray additional treatment costs of the Board and encourage acceptable pretreatment practices by the customer, surcharges, as follows:

Section 1:

SYLACAUGA UTILITIES BOARD
SEWER RATE SCHEDULES

Constituent	Base Allowance	24 Hr Composite Limit	Surcharge
Biochemical Oxygen Demand	Less than 250 mg/l	Greater than 250 mg/l	$0.22 / LB
Chemical Oxygen Demand	Less than 500 mg/l	Greater than 500 mg/l	$0.11 / LB

Note:

- The pounds of contamination for surcharge calculation shall be based on the average monthly sample concentration less the base allowance concentration.
- Surcharge amount of BOD and COD shall be greater of the two; surcharge is not cumulative for these parameters.
- Total mass loading to the POTW from an individual user shall be negotiated on a case by case basis based on available treatment capacity of the POTW.
- The Board reserves the right to amend the surcharge to adjust for fluctuations of treatment costs without prior notice.

Terms: The charges pursuant to the Monthly Rate are net and bills are due on presentation.

Effective Date: This rate schedule is effective for all bills issued on or after the effective date shown above.

Interruption of Service: The SUB will make reasonable provisions to assure satisfactory and continuous service but does not guarantee a continuous operation of the SUB's waste water and sewer collection and treatment system and shall not be liable for damages occasioned by interruptions of waste water and sewage collection services, failure to commence the collection and treatment of waste water and sewage caused by acts of God, or public enemy, or for any cause reasonably beyond the control of the SUB including, but not limited to, the failure or breakdown of facilities, floods, fire, strikes, or actions or orders of any agency having jurisdiction in the premises, or for interruptions which are necessary for the inspection, repair, or changes in the equipment and facilities of the SUB. The Customer shall notify the SUB immediately of any defects, troubles or accident which may in any way affect the delivery of waste water and sewage collection and treatment services by the SUB from the SUB System.

Term of Contract: Service hereunder is subject to termination by the Customer at any time upon the SUB's receipt of written notice of termination from the Customer, subject to the provisions of the SUB's Rules and Regulations.
