What happened at the Meeting

Michelle Carter - Executive Director - Children's Advocacy Center of Central Texas & Lion Cindy Southerland

Lion Cindy Southerland welcomed Michelle Carter to present to our club this week. Michelle is the Executive Director of the Children's Advocacy Center of Central Texas. Their mission is to provide comprehensive services which protect, promote healing and enhance the quality of life for abused and neglected children here in Central Texas. In other words, it is a safe place that offers a child a friendly, comfortable environment where specialized forensic interviewers talk to them and help investigators determine whether or not abuse has occurred. The children and their families can also receive counseling, sexual assault exams, and family advocacy services that provide hope and healing.
