

FIRST LADY RUBY THOMAS

The late First Lady Ruby Thomas was always seen around the church. She was actively engaged in several ministries, including Bible Study, Sunday school, and two choirs.

Her heart, however, was given to the Women's Retreat Ministry, where she serves as coordinator. As a result of year-long planning, twice a year she brought together approximately 300 women for an Annual Prayer Breakfast, the main attraction of the ministry and a four-day retreat. She sought out and acquired outstanding speakers who brought the Word of God in an unadulterated fashion. The Ministry is now defunct.

First Lady Thomas supported the pastor in his efforts to carry out the vision as given to him by and through the Holy Spirit. She loved her family, especially her 12 grandchildren.
