Celebrating 100 years, District 2-X3 Lions sign a banner that will go to the next International Convention.

This Week's Program

District 2-X3 Governor & Temple Founder Lion Glenn Brandt spoke to our Lions club today.

Governor Brandt stated that his goals for our district begin with increasing membership. Ask One and Re-Member Texas are great programs to help in that effort.

Brandt feels that Spot Vision Screenings are the future of the District. This is a place that Lions can make a pronounced impact. While the District has 2 spot vision machines now, many Clubs are raising money to purchase additional machines.

For more information on the spot vision device, go to: <https://www.welchallyn.com/en/products/categories/physical-exam/eye-exam/vision-screener/spot-vision-screener.html>

Governor Brandt awards Lion Don Gregory with a silver pin for sponsoring a new member.

Boss Lion Randy names Lion Dave Fette as a Lion of the Month.

Lion Lathe' Owens and Lion Stan Giles were also named Lions of the month for there leadership on Wildcat Parking and Wildcat Burgers.
