TWO BEDROOM 50sqm

The KAHIKATEA 250 Tiny Home combines space, style and functionality in one clever 50sqm design. With two full-sized bedrooms, it's ideal for couples, small families, visiting guests.

The well-considered layout makes excellent use of every square metre, with open-plan kitchen, dining and living creating a comfortable and practical home without wasted space.

Featured here, the KAHIKATEA 250 showcases one of our standard cladding combinations, Innova Duragroove paired with a wide-profile Innova Duraplank Woodgrain front feature wall, stained in charcoal. The contrasting profiles add depth, texture and a smart contemporary finish.
