

Enviro Blast

Hard Surface Cleaner
& Stain Remover

Color Safe • Biodegradable
Ready to Use • Non-Hazardous
Environmentally Friendly

Ready to Use Multi-Purpose Cleaner & Stain Remover

DESCRIPTION

EnviroBlast is a very powerful, multi-purpose stain remover and cleaner. A versatile solution that may be used to remove a myriad of stains from laundry, fabric, carpet as well as hard surfaces. EnviroBlast is an environmentally friendly product that has been formulated with biodegradable surfactants and cleaners. The non-hazardous, non-toxic formula allows for the safe and easy removal of organic stains such as red ink, Kool Aid, coffee, grass, cola, tea, wine, pet urine, mold & mildew staining and much more. This product is color safe and will safely remove stains from colored fabrics. EnviroBlast also deodorizes areas as it cleans and leaves behind a pleasant floral scent.

DIRECTIONS

Laundry Prespotting: Spray EnviroBlast directly on the stained or soiled area. Let sit for 30-60 minutes prior to washing. Launder fabric as normal.

Carpet Stain Removal: Spray or dab EnviroBlast on to the spot to be removed. Let stand for 5 minutes. Scrub with a soft bristle brush, sponge or clean cloth. Rinse with a small amount of water or follow with carpet extraction cleaning. Pad dry with a paper towel or soft cloth. Always test EnviroBlast first in an obscure area to be sure that the material is safe for use.

Mold, Mildew & Algae Stain Removal: Spray EnviroBlast directly on the target area to be cleaned. Let sit 30-60 minutes. Agitate surface if necessary. Rinse area thoroughly with clear water.

ADVANTAGES

- **Powerful Stain Remover** – EnviroBlast removes even the toughest stains such as mustard, catsup, red wine, blood, pet urine, ink, juice, Kool-Aid, coffee, tea, colas, grass, mold staining, mildew staining, algae staining and much more.
- **Color Safe** – EnviroBlast safely and effectively removes stains from a variety of surfaces and restores them to a like-new look.
- **Ready to Use** – No need to dilute, apply directly to the targeted area and EnviroBlast begins to work on contact.
- **Cleans & Deodorizes** – An excellent hard surface cleaner that leaves areas deodorized with a pleasant scent.
- **Non-hazardous** – EnviroBlast is a safe, non-toxic, environmentally friendly formula.
