THIS WEEK'S PROGRAM

Our very own Mac Latimer gave us a rundown of the high and lowpoints of our wonderful country's political history. It was a program full of great political content, and prompted a lot more laughs than I was expecting. Who knew politics could be so entertaining!?

Congratulation to Victoria Bongat, who received her real badge today, and continued prayers for Gary Gosney who is out of the hospital but still recuperating.

Romans 5:3

Not only so, but we glory in our sufferings, because we know that suffering produces percerverance; perserverance, character; and character, hope.
