

*In loving memory
Ashley Nicole Smith
June 28, 1995 - June 25, 2026*

Some people leave a mark on the world simply by being unapologetically themselves, and that was exactly who Ashley Nicole Smith was known to be. She departed this life on June 25, 2026, at the tender age of 30 years old, leaving behind a family and circle of friends who will miss her more than words can express.

Ashley was the kind of person who told it like it was. She didn't take any nonsense from anyone, stood up for what she believed in, and fiercely protected the people she loved. She was strong, honest, and never afraid to speak her mind. At the same time, she had a heart full of love, a laugh that could brighten a room, and a personality that drew people in. She was down to earth, full of life, and always ready for a good time.

She lived life on her terms and silently encouraged those around her to do the same. Whether she was making people laugh, offering straight forward advice or simply showing up when it mattered most, she left a lasting impression on everyone fortunate enough to know her.

She leaves behind three beloved children: Kayleigh Nycole Smith (11), Bailey Maree Smith (9), & Rian Josiah Smith Morrow (3) who will carry her strength and spirit with them; her loving parents Hendrix & Sharonda Smith, brother Jason (Pamela) Smith; her cherished grandparents, Mary (the late Henry) Smith, Walter & Earlene Greene, Kenneth Payne; and a host of aunts, uncles, nieces, nephews, cousins, extended family, and friends that will miss her deeply and remember her always.

Forever loved, forever missed, forever remembered. . . .
