# How it works

Designed to provide students with an opportunity to purchase high quality gifts for family and friends at school in a safe, comfortable and friendly environment, we are dedicated to making your Holiday Gift Shop easy, fun, and a success! We are here every step of the way to make sure your students have a festive, educational shopping experience and can bring home memorable gifts for all their loved ones.

## Step 1

### Choose Your Selling Dates & Profit

- ❄️ Choose the dates that work best for your school. We recommend holding your shop for at least one week.
- ❄️ Choose your profit percentage. Your school makes a profit on EVERY gift sold!

## Step 2

### Promotional Items Arrive

- ❄️ Everything you need to start advertising your shop arrives. Parent letters, money envelopes, posters, etc.
- ❄️ This is a great time to start decorating the room that will host the Holiday Gift Shop.

## Step 3

### Shop Inventory Arrives

- ❄️ Your gifts, along with registers, gift bags, and start guide, are hand delivered and brought to the room of your choosing by Fun Services.
- ❄️ Your cash register will already be preloaded with the profit percentage you chose and ready to start! The app will be ready to go with your profit percentage too, so you can scan on the fly!

- ❄️ Run out of items? Submit your reorder form and we will have them at your door the next day.

## Step 4

### Close Up Shop

- ❄️ Follow the end of shop directions to find out your totals and profit.
- ❄️ Pack up the remaining gifts, and Fun Services will come by to pick everything up. No need to lug everything to the front or prepare boxes for shipping.

- ❄️ You pay only for what you sell. No hidden fees or extra costs. Zero risk to your school.

# It's that easy.

**ABOUT US:** We became owners of Fun Services North Georgia in 2008. Since then, we have grown to serve all of Georgia, Tennessee, South Carolina, and part of Florida. We continue to be a local, family owned and operated business. Your support allows us to live our dream every day as we work with our family and local community!

- Bryan and Dawn Nash, Owners

Bryan

*I'm Bryan! As a husband to Dawn, dad to two daughters, and Pop Pop to three awesome grandchildren, family is the foundation of everything I do. I love to go fishing, camping with family and friends, and cheering on the Atlanta Braves! I'm a major Survivor fan and once auditioned to be on the show.*

*Owning and operating Fun Services became our dream after our youngest daughter shopped at her school's Santa's Secret Shop. She came home with such excitement to spread joy through gift giving that we wanted to provide that opportunity to children in our community!*

Dawn

*Hello I'm Dawn - wife to Bryan, proud mom to two amazing daughters, and Nana to three adorable incredible grandchildren. We also have two schnoodle doggie snuggle buddies. Some of my favorite things to do are spending time with the grandkids and family, playing board games and cards, reading, and love going to see my Atlanta Braves baseball team. I was born and raised in Maryville, Tennessee so I love camping in the Smoky Mountains with friends and taking the grandkids to Dollywood! Owning Fun Services has inspired me to want to make sure every child has a joyful experience with all the programs we offer.*

*Hi, I'm Caleb - Holly's husband and Bryan and Dawn's son-in-law. I'm a proud dad to two awesome kids! I started working at Fun Services in 2013 as a reorder packer for the Holiday Gift Shop program. I love working with people to make their holiday shop experience the best it can be, so you can often find me working directly with customers and answering questions about Sir Fun Bear's Holiday Gift Shop! I love playing Dungeons & Dragons and Magic: The Gathering. I also play in a fantasy football league with Bryan and Holly - guess who won the championship this year? I also love jamming to Danny Go with my kids!*

*Hi! I'm Holly, Caleb's wife and Bryan and Dawn's oldest daughter. I'm a mom to two amazing kids and four cats. I have a passion for education and reading, so working with schools through Sir Fun Bear's Holiday Gift Shop and My Reading Buddy allows me to help kids in my community learn about budgeting money, giving, and reading! I also love cats and work with a local cat rescue to help kitties find their forever homes. When I'm not working at Fun Services or the cat rescue, you can find me snuggled up with a cat and a book or coloring in coloring books with my kids!*
