This Weeks Program: Royce Winkler - Texas Ramp Project

This week we had the pleasure of hearing from Royce Winkler with Texas Ramp Project. Royce Winkler, a retired general contractor for residential remodeling has been volunteering with Texas Ramp Project since 2016 along with a great team of volunteers from about six churches in the community. Their main goal is to serve our Lord Jesus Christ by serving others to His glory. Royce spoke about the different volunteer opportunities with the Ramp Project and on average most of these ramps cost around \$600. The Texas Ramp Project is a 501(c)(3) nonprofit organization that provides wheelchair ramps to low-income older adults and people with disabilities identified by local healthcare providers. Ramps are built with volunteer labor, keeping costs to a minimum, and are built without regard to race, religion, ethnicity, age or gender.

Friday is Good because Sunday is coming!

Luke 24:3-6

"Then they went in and did not find the body of the Lord Jesus, And it happened, as they were greatly perplexed about this, that behold, two men stood by them in shining garments. Then, as they were afraid and bowed their faces to the earth, they said to them, "Why do you seek the living among the dead?" He is not here, but is risen! Remember how he spoke to you when He was still in Galilee."
