

Men and Women Shelters Program

In addition to the bare necessities for survival, shelter residents require various services, many of which cannot be met without the aid of charitable organizations. New Day Outreach Ministries can offer a variety of services and resources to men and women in shelters, aiming to meet their immediate needs to support their well-being, New Day Outreach Ministries will arrange for multiple shelter residents to be provided bedding and clothing, hair treatments, personal hygiene items, intimate wear, haircuts, shaves, socks, gloves, and hats. We hope to help them regain independence and transition into more stable lives.
