THIS WEEK'S PROGRAM

Last meeting we were visited by Bikers Against Child Abuse (BACA). Several of their members: Space Ghost, Skullita, and MOTO came to explain what they do, and how they do it. This organization is made up of bikers who stand up for victims of child abuse, giving them confidence, and support to help them feel safe in their time of need. This is an international organization with multiple chapters across Texas. They bring children into the group, let them choose their road name, and show up to support them during their day in court. This is a very unique non-profit, and it is obvious that these members are very passionate about what they do.

This was the last meeting before the changing of the guard. We'll see everyone back on July 9th.

2 Corinthians 1:3-4

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive in God.
