Servant Leadership

What happened at the Meeting

Cliff and A.C. brought us information on the Love of Christ Food & Clothing Pantry.

Love of Christ (LOC) was founded in

1991 by Western Hills (that had a building), Avenue T (that had food) and Northside (that had clothing). Their mission is *To provide clothing, food and assistance to all in need in Temple and East Bell County. Staffed fully by volunteers. Support is to be given equally to all without respect to Race, Creed, Religion, Sex or Age. LOC's only criteria are to demonstrate Christian love to all who enter here and work to raise the sense of self-worth for all we serve. LOC serves clients directly as well as by sharing of our bounty with other organizations to reach as many individuals as possible.*

Last year LOC collected \$1.5 Million in retail value of food and \$79,100 in monetary donations. Total individuals served, 23,736! Total meals provided, 754,536! This year, your TFLC donated \$1,200 to this worthwhile project. Well done Lions!

Public Service Announcement.

This is what a losing Lions raffle ticket looks like. Don't confuse this with a winning ticket. This ticket has no face value, no monetary value, no luck, no chance of winning and no worth what-so-ever. (All prices plus tax, title and license, rebates to Dealer, void where prohibited.)
