ONIONS AND SWEET ONIONS

SWEET POTATOES

Mim's Famous Sweet Potatoes

ORANGE

Skin: Brown to rose-colored
Flesh: Vibrant orange
Texture: Moist, starchy
Flavor: Sweet, subtly earthy

RED

Skin: Reddish-brown
Flesh: Orange-gold
Texture: Starchier, moist
Flavor: Sweet-to-savory

WHITE

Skin: Light brown to tan
Flesh: Creamy yellow
Texture: Drier
Flavor: Mild, nutty

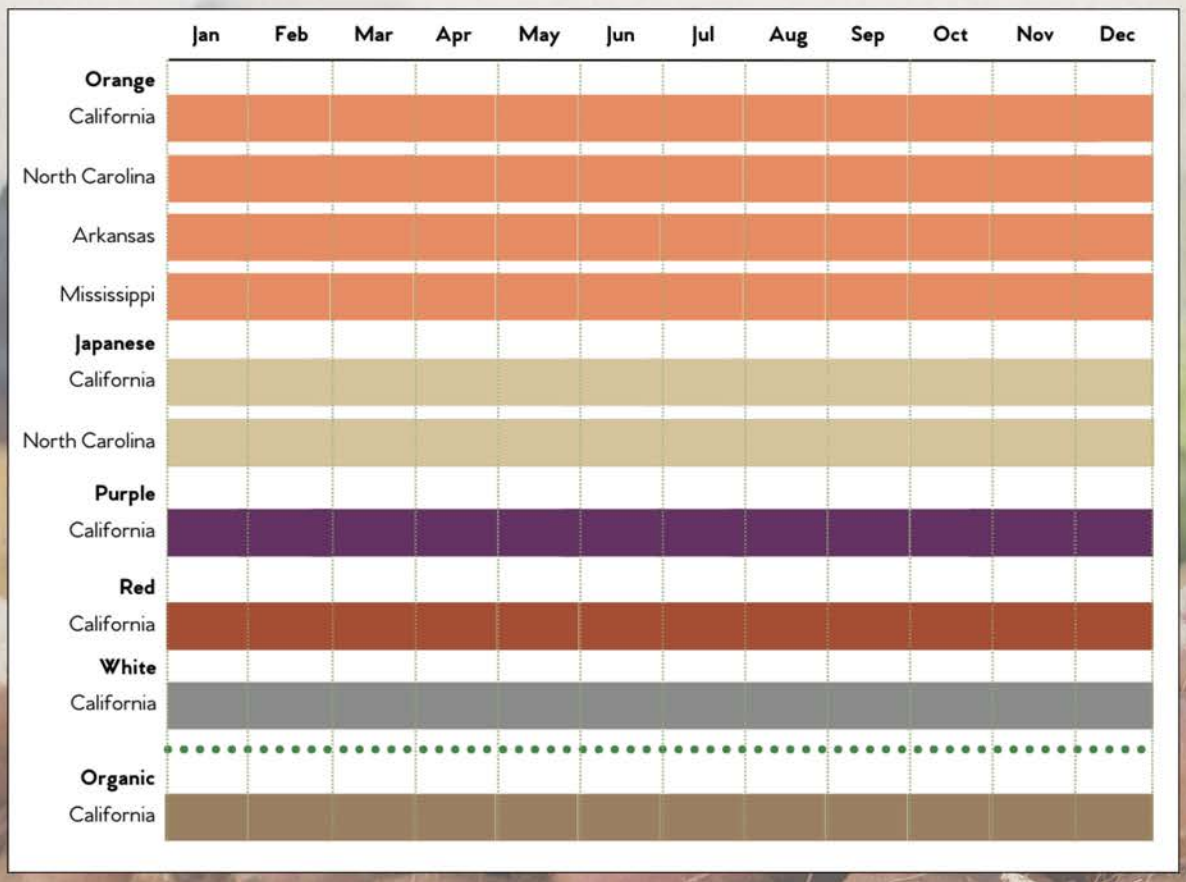

PURPLE

Skin: Vibrant purple
Flesh: Purple
Texture: Dense, flavorful
Flavor: Balanced sweetness

JAPANESE

Skin: Pinkish, reddish, or purplish
Flesh: Creamy white to golden yellow
Texture: Drier, starchier
Flavor: Subtle, sweet, nutty, slightly floral

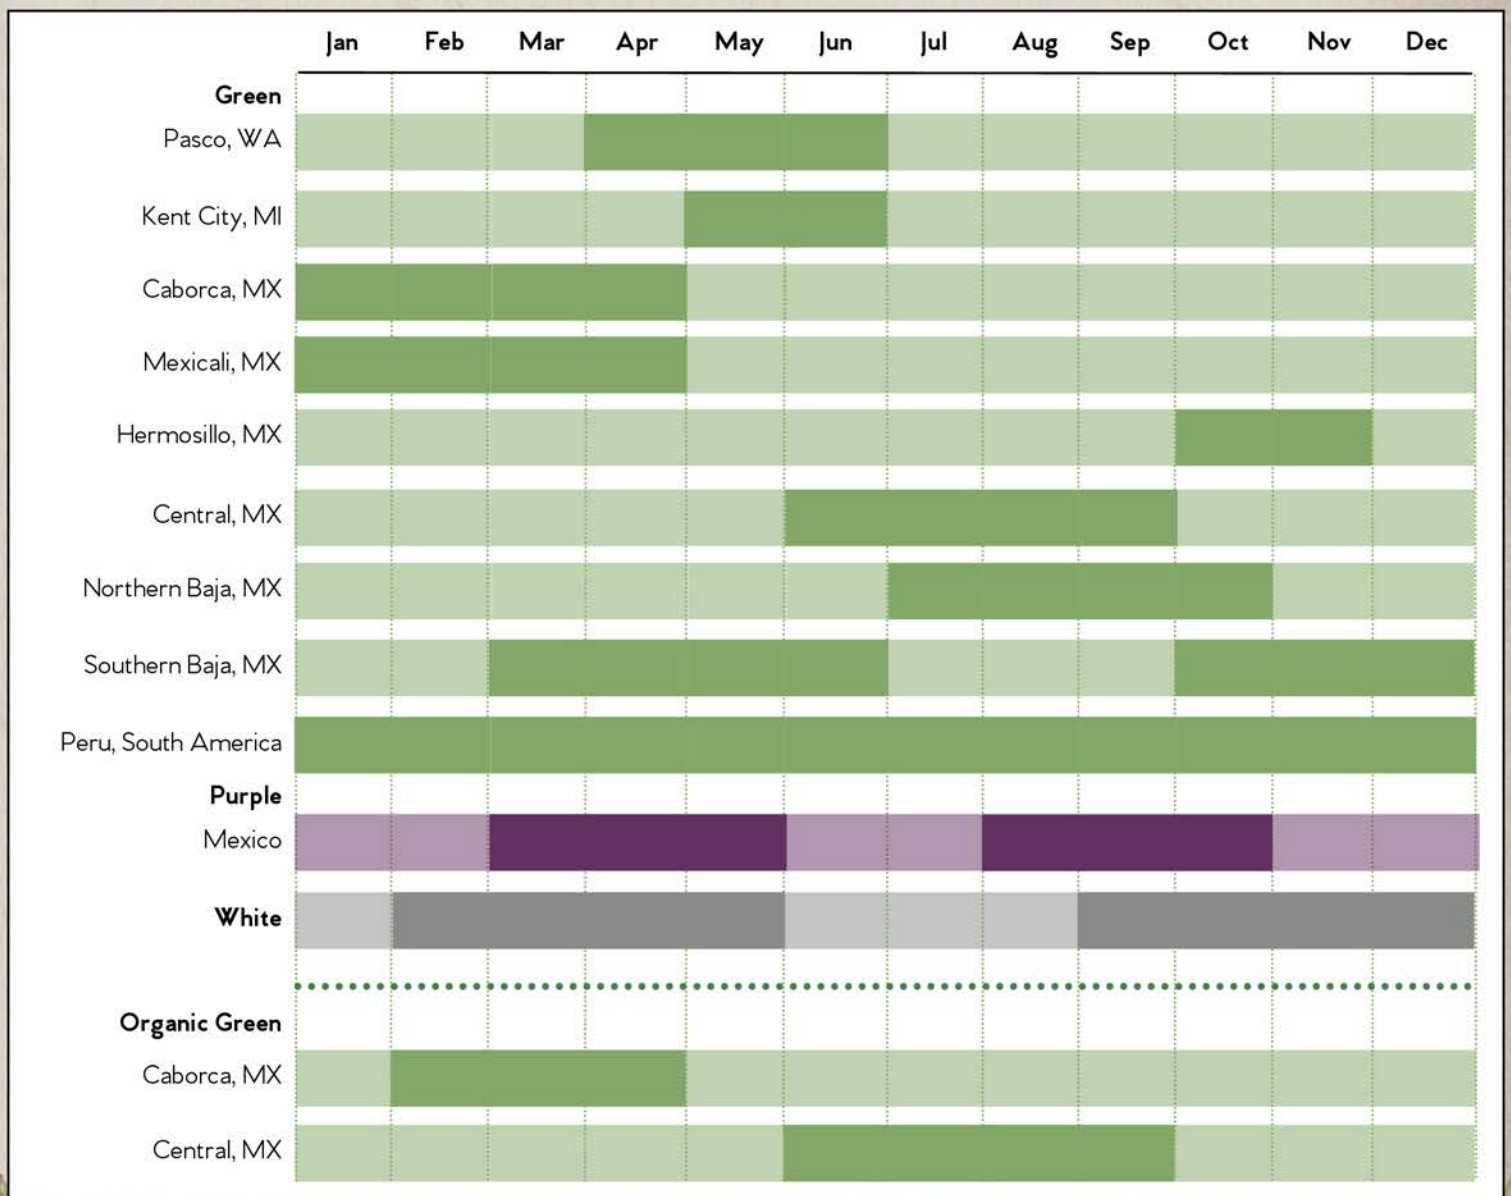

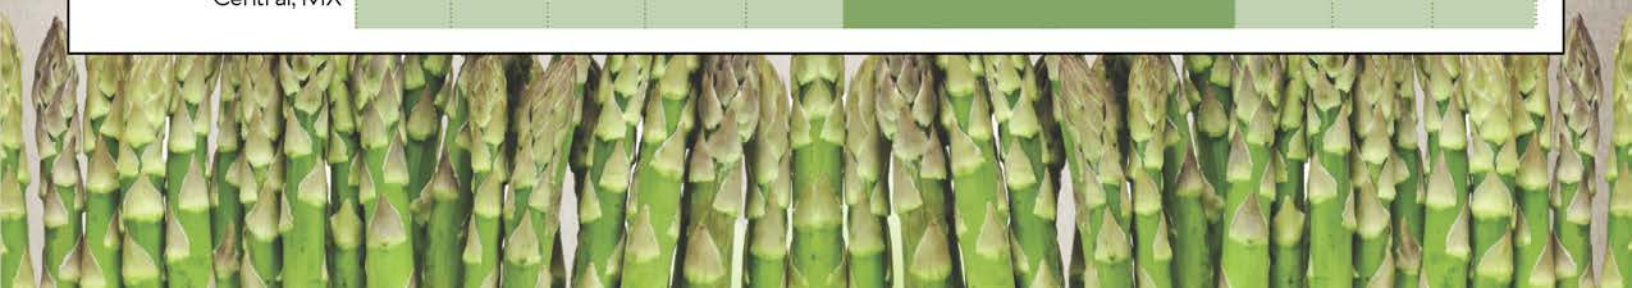

ASPARAGUS

GREEN
Green asparagus, with its tender spears and earthy, slightly nutty flavor, is a versatile vegetable ideal for grilling, roasting, or adding to a variety of dishes.

PURPLE
Purple asparagus, with its striking color and milder, subtly sweet flavor, brings a unique twist to your culinary creations, whether roasted, grilled, or enjoyed raw.

WHITE
White asparagus, with its pale appearance and delicate, slightly nutty taste, offers a gourmet twist to your dishes, perfect for steaming, poaching, or adding a touch of elegance to your meals.

WET VEGETABLES

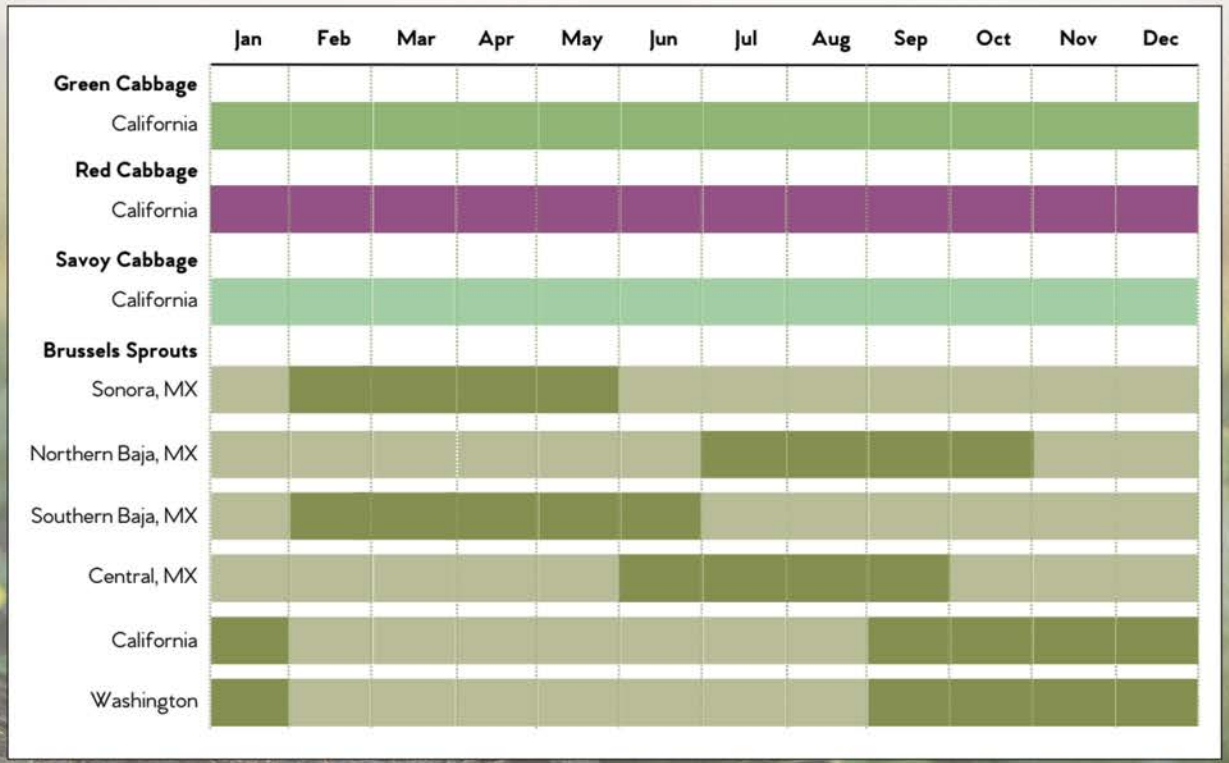

BRUSSELS SPROUTS

Brussels sprouts are small, leafy greens that grow in clusters on a stalk. They develop a sweet, nutty flavor when cooked, perfect for roasting or sautéing. High in vitamins C and K, they offer health benefits like boosted immunity and wellness.

CABBAGE

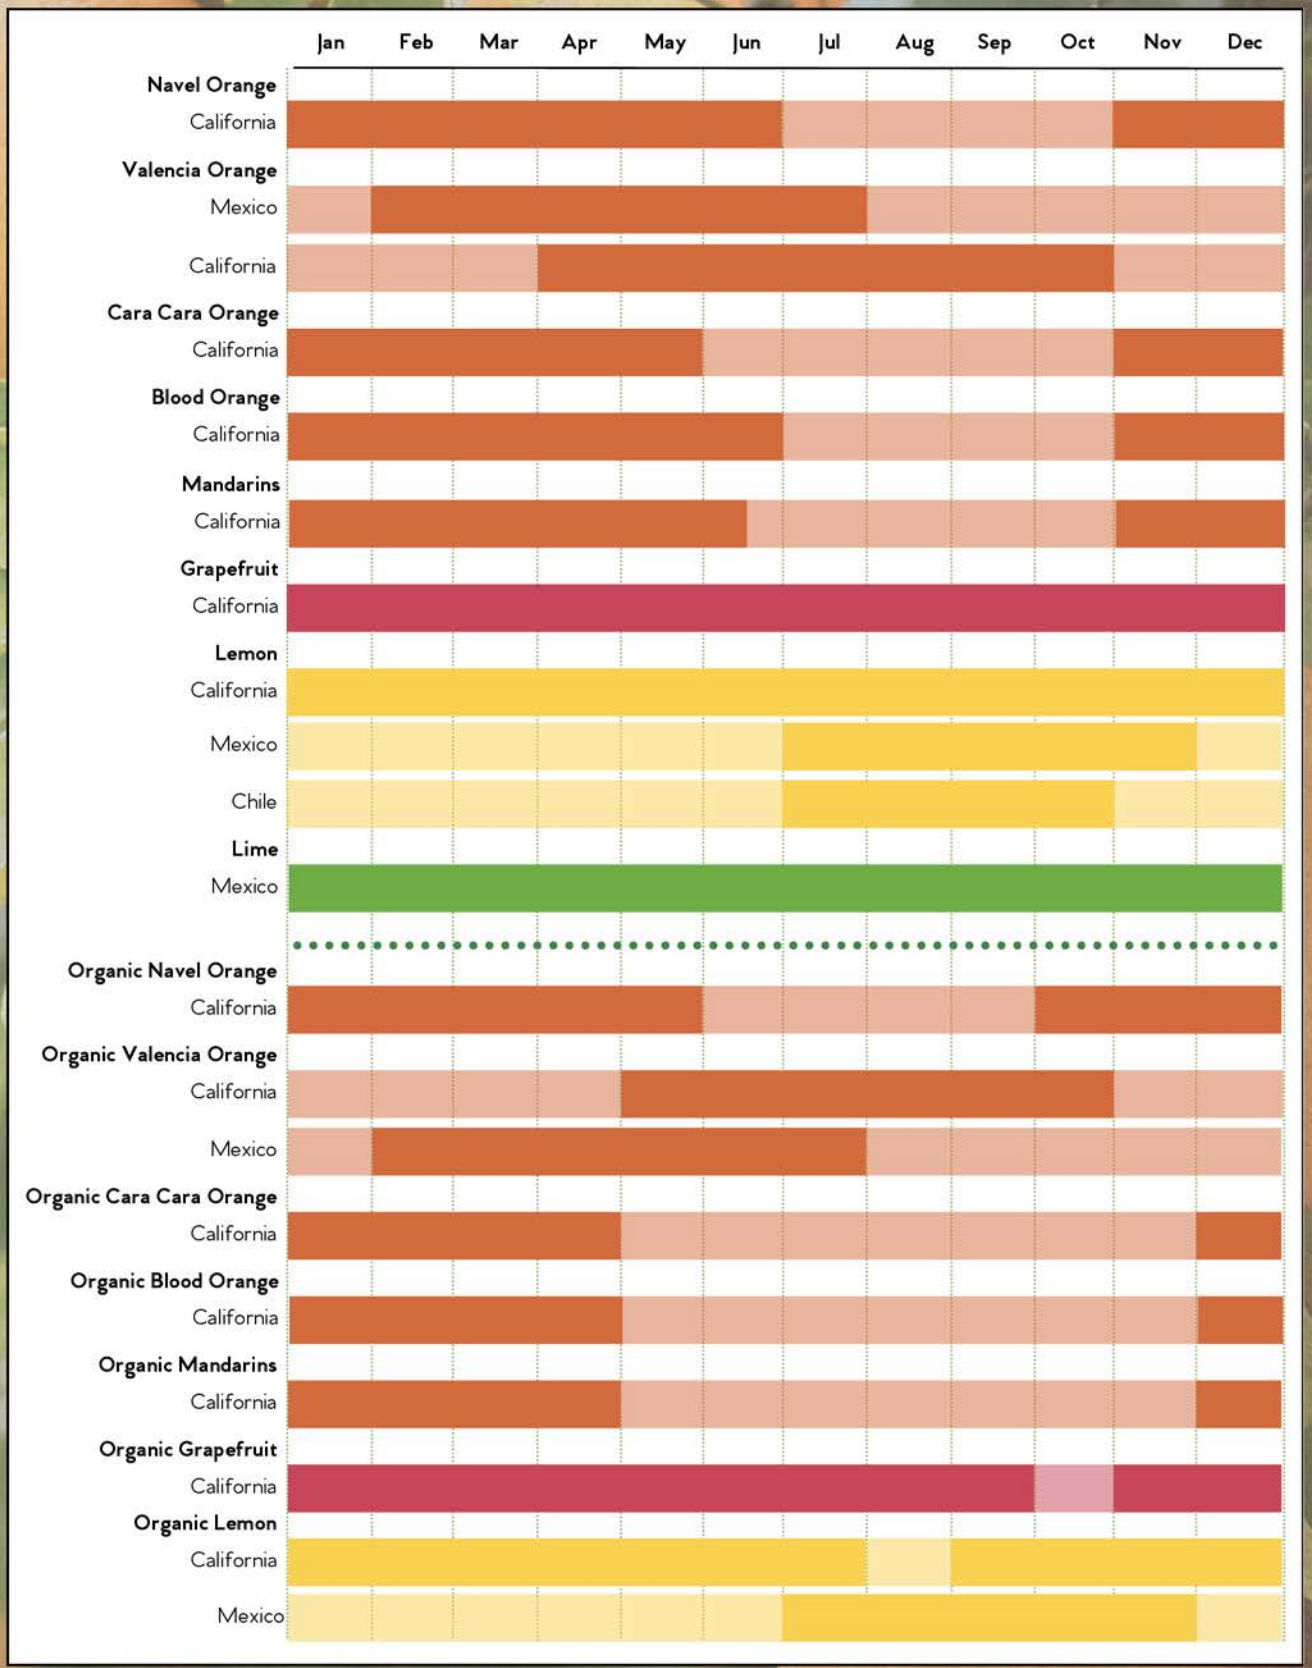

Cabbage, available in green, red, and savoy, is versatile and globally popular. It can be raw, cooked, or fermented and is rich in vitamins C and K. Known for its sturdy leaves and crisp texture, cabbage supports digestion and reduces inflammation.

TROPICALS & HOLIDAY ITEMS

TROPICALS

Discover the vibrant tastes and textures of our tropical produce collection, perfect for adding a touch of exotic flair to your culinary creations. Each item brings its own unique qualities, from the sweet, creamy flavor of baby bananas to the earthy depths of taro root, offering endless possibilities for innovative dishes.

Varieties: Burro Banana, Baby Banana, Green Plantain, Banana Leaves, Jicama, Taro Root, Malanga Root, Yucca Root, Turmeric Root, Chayote Squash, Aloe Leaves, Guava, Persian Cukes, Corn Husks, Pineapples

HOLIDAY ITEMS

Embrace the spirit of the holidays with these unique ingredients that promise to bring joy and flavor to your table. Tejocote, with its apple-like tartness, pairs beautifully with the sweet and aromatic guava and the subtly floral quince in punches and desserts. Our corn husks are essential for making authentic tamales, a holiday favorite, while peeled sugar cane and cinnamon sticks add a natural sweetness and a warm spice to your seasonal beverages and culinary creations.

Varieties: Tejocote, Guava, Quince, Corn Husks, Peeled Sugar Cane, Cinnamon Sticks, Piloncillo

GROWING. PACKING. SHIPPING. MARKETING.

Evolving to exceed the needs of our customers. Devoted to seeing the industry grow and flourish. Established in 1977, Keystone Fruit Marketing is a team of professionals working together to provide excellent fresh produce for our customers year-round. We value our relationships with our customers and grower partners and pride ourselves on the integrity we weave throughout every aspect of our business.

Our people – employees, customers, growers – are our greatest asset. We lead by example, continuing to adapt to the ever-changing world of produce and evolving to exceed our customers' expectations. Our sales team members are experts in our industry and are committed to partnering alongside you. Our future is bright, and we look forward to growing with you!

Moving Fresh Produce Across America for Nearly 60 Years

Since 1967, Pathfinder Logistics has been a trusted transportation partner for shippers who need dependable, efficient, and responsive full truckload (FTL) service. We specialize in coordinating produce shipments throughout the continental United States, with strength in the West Coast, Arizona, Texas, and Southeast markets.

Why Choose Pathfinder Logistics?

Decades of Industry Experience
With nearly six decades in business, we understand the unique demands of produce transportation, including timing, communication, and reliability.

24/7 Customer Support
Our team is available 24 hours a day, 7 days a week to provide shipment updates, resolve issues, and support your operation whenever needed.

Produce-Focused Expertise
We specialize in coordinating full truckload produce shipments, helping customers move fresh products quickly and efficiently across the country.

Reliable Carrier Network
We work with trusted transportation partners to provide dependable capacity and consistent service for your freight needs.

Strong Regional Coverage
Core Lanes: Southern California (LTL & FTL), West Coast, Arizona, Texas, Southeast U.S.

Services

Full Truckload (FTL) Transportation

- Fresh produce shipments
- Regional and long-haul moves
- Seasonal volume support
- Nationwide coverage across the continental U.S.

Our Commitment

At Pathfinder Logistics, we understand that produce transportation requires precision, responsiveness, and trust. Our goal is simple: provide dependable transportation solutions backed by experienced professionals and exceptional customer service.
