Accommodation

1 night at Safari Club, Johannesburg

Relax and unwind after your long flight to Johannesburg. This little family owned guests house is a perfect layover spot inbetween flights to start your safari.

10 nights in a Zebra Express Mobile Safari camp - Southbound

A "Southbound mobile safari" in Botswana, starting from Maun, is a camping adventure that explores the northern regions, including the Okavango Delta, Chobe National Park, and Savuti, offering diverse wildlife and scenery.

Whilst on your adventure you will visit Moremi Game Reserve, Savuti Marsh area and Chobe National National Park.

A mobile camp is unique in that it travels between locations with the safari. A hard working team breaks the camp after every stop and moves it to the next location. Although basic, the camp is remarkably comfortable with great locations, food and service.

Accommodation is in walk-in Tents with ensuite bathrooms, long drop toilets and hot bucket showers. Wonderful 3 course meals are served in a dining tent. All activities are conducted in a very well-equipped game viewer that has multiple charging facilities.

After a long adventure in the bush, we recommend a night in Maun to wash off the dust of your safari and prepare for the next adventure.
