THIS WEEK'S PROGRAM

This week was hopefully one of the best presentations of all time. I recounted a few cool cases from Temple Veterinary Hospital Medical and Surgical Center, conveniently located at 2055 Scott BLVD. Also, I was able to get some before and after pictures of Iris, the rescue pup so y'all can see her incredible transformation. Also George Dishon and I got our real badges today.

Please keep our fellow Lions in your prayers: Cindy's father and the Schexnayider family, John Russell and family, John Rude and family, and the Gover family.

Romans 8:38-39

For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.
