A Life Remembered

Kenneth Wayne Morris passed away on October 31, 2026. He will be lovingly remembered and deeply missed by his family and all those whose lives he touched.

Kenneth was preceded in death by his parents, Danny L. Morris and Mary F. Morris.

Throughout his working years, Kenneth worked as an upholsterer before retiring. He had a love for gardening. He was also an incredibly talented artist.

Kenneth proudly served his country as a member of the United States Air Force. His service was something he was proud of and will always be an important part of his legacy.

Kenneth was known to many as Pappy. He leaves behind a lifetime of memories and a family who will forever cherish the time they shared with him. His creativity, talents, and the memories he leaves behind will continue to live on through those who loved him.

He is survived by his only daughter, Heather Cain, and her husband, Chris Cain. He was a proud grandfather (Pappy) to two grandsons, Brayden Rominger and Parker Rominger, and one granddaughter, Maddy Cain. He was also blessed with a great-granddaughter, Charlie Hodo.

In accordance with his wishes, there will be no public formal service. Instead, our family will gather privately in the mountains to honor his memory and scatter his ashes. We deeply appreciate your love, support, and understanding as we honor his final wishes in privacy.

He will be deeply missed and never forgotten.
