Brian McCabe
49th Grand Marshal of the
2026 Mid-Hudson St. Patrick's
Parade

Brian has been involved in many aspects of our shared traditions, supporting Gaelic Athletic Association growth and events, sponsoring Irish art and music, mentoring recent Irish arrivals on the path to citizenship and maintaining focus on the unfinished promise of the Good Friday Agreement, seeking peace and reconciliation in a United Ireland.

He is a representative for Ireland's Future, advocating for national reunification through an all-Ireland referendum and leading a team to the nation's capital to meet with Congressional leaders to advance that goal. The former Chairman of the American Irish Historical Society, Brian led the successful campaign to reform that important symbol of the contributions of Irish and Irish American people to the development of the United States of America.

Brian believes it is important to maintain the standing of our community and expand, promote and raise our profile in wider society.

Please honor Brian's contributions to our Irish community and culture. Your support of our Journal provides the main source of income to fund the Parade. Please sponsor the 2026 MHSPP Journal so that we can continue to "Keep the Traditions Alive."

Thank you,
