**This Weeks  
Program: Hope  
Center Ministries**

This week we had the pleasure of hearing from the wonderful people from Hope Center Ministries. Hope Center Ministries is a on location rehab facility that assists people with recovery from addiction. Hope Center Ministries exists to lead addicts and their families to become fully devoted followers of Christ. They spoke about the program and the three different phases the members will go through which totals to a whole year in the program. We were able to see videos on the many testimonials of the past members. Hope Center Ministries is always looking for Volunteers and Donations.
