**This Weeks
Program:
Tucker Saxton
with Go Corps**

This week we had the pleasure of hearing from Tucker Saxton with Go Corps. Tucker Saxton is originally from New Waverly, Texas, but has called the Temple/Belton area home since 2012. He graduated from UMHB in 2016 with a degree in Business Administration, summa cum laude, and worked in the business world for five years before stepping into ministry at Temple Bible Church. For the past four years, he served in college, missions, outreach, and benevolence ministries, and recently transitioned into his current role as Assistant Director of Recruitment Operations and Coach with GoCorps, a Christian nonprofit that mobilizes college graduates to use their degrees in global missions. They travel to campuses and conferences nationwide, do digital outreach all to help more young people see themselves as part of a new kind of missionary. Their niche is often connecting with students who never before considered global missions relevant or possible for them.
