

POCKET SCREEN

**Now you see it,
now you don't.**

These innovative B&B pocketing screen doors will amuse and impress you and your guests all day. It is elegant when it is closed and surprisingly elegant when it is open (hidden). However you have it positioned you will be pleasantly awed by the way it functions. Here at B&B, we are proud to impress you with the innovations and quality of our products. Our custom design will surely satisfy your ideas that's out of the ordinary door or window. This is where the cookie (cutter) crumbles and ideas flourish. Your ideas, your doors, your choice, we'll deliver. Let the show begin!

Screens

Our roll up screen vanishes into the frame as it gets rolled and tucked-in when it is opened..

Shown is a model fitted for an outswing door.

Maximum width span 4'
It can accommodate up to an 8' opening when paired.

2 roll in

3 pleated

The pleated screens folds into a compact stack and a single unit can effortlessly stretch & cover up to 14'-9" ft wide opening with minimal spring back force. This is an excellent choice for exterior pocket sliding and multi-slide units. It's ability to cover a wide opening does the job that's only 1.2" deep. Now that's impressive.

This beautiful screen can be configured in different ways.

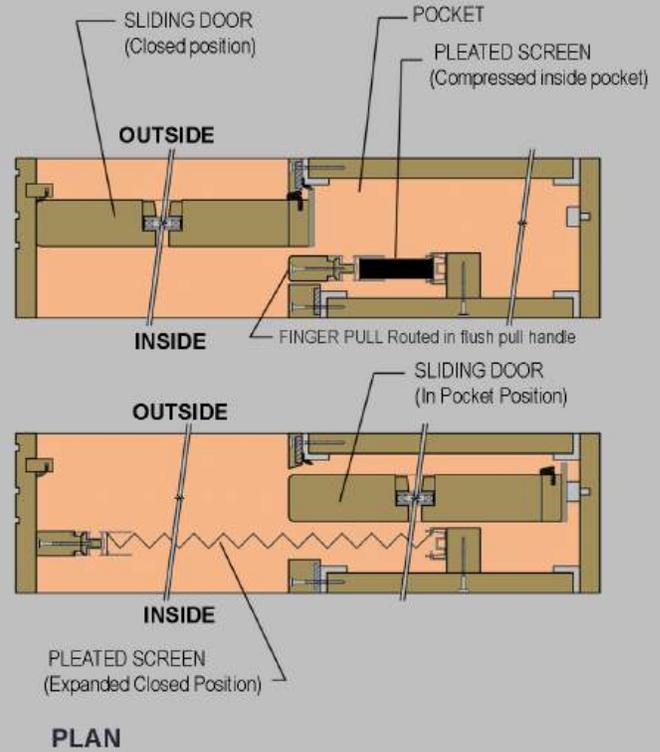

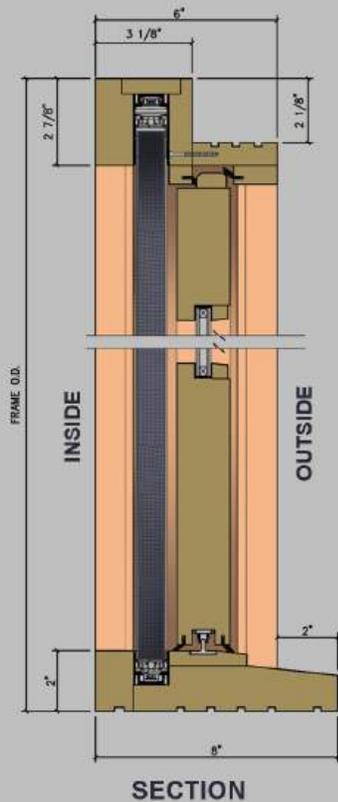

1. Surface mounted stacked on jamb, single or paired.
2. B&B's innovative pocketed frame design version single or paired.
3. The postless corner model surface surface mounted to the jamb or pocketed, meets in the corner.

Specifications

	Single Screen		Double Screen	
	Height	Width	Height	Width
Min	2'	2'-11"	2'	5'-11"
Max	10'-6"	14'-9"	10'6"	29'-6"

POCKETED PLEATED SCREENS

B&B's EXCLUSIVE STANDARD POCKET SLIDING DOOR WITH PLEATED SCREEN

B&B's pleated screens works well with swing out doors, sliding doors, folding doors and best with pocket sliding door units especially multi-sliders. It's main feature is it's ability to cover a span of up to 14'-9" by 10' high with minimum effort. It folds amazingly into a compact size that can be tucked inside the pocket just out of sight... but this beauty can not be out of mind.

Shown is the pleated screen Installed for a postless corner application on an outswing folding door unit. The unit shown is surface mounted on the jamb stacked and compact.

So...let's meet at the corner!

WOOD SPECIES

PREMIUM CHOICES

B&B uses a wide variety of wood species. Wood is a natural product that there are varieties even on it's own specie. In nature, no two are exactly alike. Nature gives each specie its own individual character. So the door you'll get will be as unique as yourself. At B&B we hand pick the parts and fabricate each one individually. Every one gets our attention.

Every door and window, louver and shutter can be built to your specifications. Your style in the wood of your choice is shown here.

Pick your fancy.

We begin with the right quality, premium grade material. That's how we end up with the right quality product.
