**This Weeks
Program:
Michael
Widner - Soul
Fixin'
Foundation**

This week we had the pleasure of hearing from Michael Widner with Soul Fixin' Foundation. The Soul-Fixin' Foundation, a 501 (c)3 entity, is an outreach organization that brings the love of Jesus Christ to individuals, families, and communities in need. Some of their current programs are Guitars for Kids that are fully functioning guitar kits that can be customized artistically by the child prior to assembly, Cars for Families in Need, and New Clothing for the Homeless (working through Impact Temple). The name of the organization came from musician Luther Allison who Mike stated had one of the biggest hearts and the drive for caring for others.

Fun Facts & Did you Knows?

Fact about Lions: *Lions clubs are recognized for their service to people who are blind and visually impaired. This service began when Helen Keller challenged Lions to become "knights of the blind in the crusade against darkness" during the 1925 Lions Clubs International Convention.*
